

Alfred Franzblau, MD  
Professor of Occupational and Environmental Medicine  
Department Environmental Health Sciences  
University of Michigan School of Public Health  
1420 Washington Heights  
Ann Arbor, Michigan 48109-2029  
(734) 936-0758 voice  
(734) 763-8095 fax  
afranz@umich.edu  
January 16, 2009

## **EDUCATION**

High School: Livingston High School, Livingston, New Jersey, 1968-1971  
Undergraduate: Northwestern University, 1971-1975, B.A., M.S.  
Graduate: Stanford University, 1975-1978, M.S. (Mathematics)  
Medical: UC San Diego, School of Medicine, 9/79-6/83, M.D.

## **TRAINING & PROFESSIONAL EXPERIENCE**

6/83-6/86 Resident in Internal Medicine. University of Washington, Seattle, Washington.

1/86-6/86 Chief Medicine Resident. Providence Medical Center, Seattle, Washington.

7/86-6/88 Resident in Occupational and Environmental Medicine. Mount Sinai Medical Center, New York, NY.

7/88-6/89 Charles A. Dana Fellow in Environmental Epidemiology. Division of Environmental and Occupational Medicine, The Mount Sinai School of Medicine, New York, NY.

7/88-6/89 Senior Clinical Assistant. Department of Community Medicine, The Mount Sinai Hospital, New York, NY.

7/88-6/89 Instructor. Department of Community Medicine, Division of Environmental and Occupational Medicine, The Mount Sinai School of Medicine, New York, NY.

9/89-8/00 Assistant Professor of Internal Medicine. University of Michigan Medical School, Ann Arbor, Michigan.

9/89-8/96 Assistant Professor of Occupational Medicine. University of Michigan School of Public Health, Ann Arbor, Michigan.

- 5/90-10/97      Consultant Physician, Dept. of Internal Medicine, Ann Arbor Veterans Administration Hospital, Ann Arbor, Michigan.
- 9/96-8/03      Associate Professor of Occupational Medicine. University of Michigan School of Public Health, Ann Arbor, Michigan.
- 1/97-present    Associate Research Scientist, Center for Ergonomics, Dept. of Industrial and Operations Engineering, University of Michigan School of Engineering.
- 9/97-8/98      Visiting Associate Professor, Department of Environmental Health, University of Washington School of Public Health and Community Medicine, Seattle, Washington
- 9/00-2/02      Associate Professor of Internal Medicine. University of Michigan Medical School, Ann Arbor, Michigan.
- 2/02-present    Associate Professor of Emergency Medicine. University of Michigan Medical School, Ann Arbor, Michigan.
- 9/03-present    Professor of Occupational Medicine. University of Michigan School of Public Health, Ann Arbor, Michigan.

## **PROFESSIONAL CERTIFICATIONS**

Board Certified Internal Medicine (#110450; September 10, 1986)  
Board Certified Preventive Medicine - Occupational (#22968; February 3, 1992)  
Licensed to practice medicine in State of Michigan (#055331, August 1989).  
Certified "B" Reader (12/1/1988 - 11/30/2012)  
Fellow, American College of Occupational and Environmental Medicine (April 30, 1998)

## **PROFESSIONAL ACTIVITIES**

- Member of Board of Directors Michigan Occupational and Environmental Medicine Association (MOEMA), 1994-99
- Member of Course Planning Committee for Annual Scientific Conference of the Michigan Occupational and Environmental Medicine Association (MOEMA), 1996-1999
- Alternate Delegate for MOEMA to American College of Occupational and Environmental Medicine, 1995-1998
- Director, University of Michigan Occupational Medicine Residency Program.  
9/1/95-7/31/2003.

Director, Occupational Medicine Program, Education and Research Center (ERC) at the University of Michigan. 9/1/98-7/31/2003.

Director, Education and Research Center (ERC) at the University of Michigan. 7/1/00 to 7/31/01.

Director, Occupational Injury Prevention Research Training Program at the University of Michigan. 9/1/2001-6/30/2003.

Representative of American College of Occupational and Environmental Medicine at OSHA Ergonomics Stakeholder Meeting. Washington, DC. February 4, 1998.

Co-Chair, University of Michigan IRB Health. 9/2003-8/2006

Associate Department Chair, Environmental Health Sciences. University of Michigan School of Public Health. 2004-2005.

Interim Director, Occupational and Environmental Epidemiology Program. University of Michigan School of Public Health. 2004-2005.

Member, University of Michigan School of Public Health Executive Committee, 2005-2006, 2007-2009

## **SCIENTIFIC ACTIVITIES**

Contributing Editor. American Journal of Industrial Medicine. 1989-present.

Reviewer: American Industrial Hygiene Association Journal  
American Journal of Managed Care  
American Public Health Association Journal  
Annals of Occupational Hygiene  
Archives of Family Medicine  
Archives of Physical Medicine and Rehabilitation  
Chest  
Clinical Toxicology  
Environmental Research  
Environmental Science & Technology  
Journal of Occupational and Environmental Medicine  
Journal of Occupational Rehabilitation  
Journal of the American Medical Association  
Muscle & Nerve  
New England Journal of Medicine  
Occupational and Environmental Medicine  
Scandinavian Journal of Work, Environment & Health

American Board of Preventive Medicine, Committee on Examination Questions,  
Occupational Medicine: 1992-2000

Invited Participant in “Workshop on Research Methods for Field Studies on VDT & Musculoskeletal Disorders”. The Johns Hopkins University Center for VDT & Health Research. San Francisco, CA. December 2-3, 1994.

Session Chair, Annual Scientific Meeting of the Michigan Occupational and Environmental Medicine Association, June 9, 1995. “Practical Ergonomics for the Primary Care Physician”.

Session Chair, Annual Scientific Meeting of the Michigan Occupational and Environmental Medicine Association, June 7, 1996. “Managed Care and the Occupational Physician”.

Course Planner, Annual Scientific Meeting of the Michigan Occupational and Environmental Medicine Association, June 6-7, 1997.

Conference Co-Director. International Conference on Occupational Disorders of the Upper Extremities. Ann Arbor, Michigan. October 24-25, 1996.

Invited Participant in “Workshop on Diagnosis of Musculoskeletal Disorders of the Upper Limb”. The Johns Hopkins University Center for VDT & Health Research. Baltimore, Maryland. November 15-16, 1996.

Session Moderator. Midwest Regional Epidemic Intelligence Service Conference. Centers for Disease Control and Prevention, The Michigan Department of Community Health, and the University of Michigan School of Public Health. Ann Arbor, Michigan. March 13, 1997.

Scientific Peer Reviewer. US Environmental Protection Agency’s Arsenic Health Effects Research Peer Review Panel. Washington, DC. July 7-8, 1997.

Scientific Peer Reviewer. Agency for Health Care Policy and Research: Health Care Technology Study Section. Washington, DC. November, 1997.

Member of the Ergonomics Committee of the American College of Occupational and Environmental Medicine. 1997-present.

Scientific Peer Reviewer. Gulf War Illness Study Section (Dept. of Defense/American Institute of Biological Sciences). Washington, DC. March 29-31, 1998.

Invited Participant in "Workshop on Work-Related Musculoskeletal Injuries: Examining the Research Base." August 20-21, 1998, National Academy of Sciences, Washington, D.C.

Invited Participant: Workshop on the National Occupational Research Agenda (NORA) for work-related musculoskeletal disorders. Houston, Texas. March 8, 1999. Sponsored by NIOSH.

Invited by OSHA to testify about the scientific foundation for the OSHA proposed Ergonomics Program Standard. Washington, DC. March 16, 2000.

Reviewer for Panel on Musculoskeletal Disorders and the Workplace. September, 1999 - July, 2000. National Academy of Sciences, Washington, D.C.

Conference Co-Director: Health and the American Workforce: Challenges and Opportunities. Ann Arbor, Michigan. May 8, 2000.

Consultant to Michigan Arthritis Scientific Forum/Michigan Arthritis Action Plan 2000

Reviewer, Tuberculosis in the Workplace. Edited by MJ Field, Institute of Medicine. National Academy of Sciences Press, Washington, DC. 2001.

Member, Occupational Health Advisory Board of United Automobile Workers-General Motors Corporation/Delphi Corporation. 2001-present.

Reviewer, "Biologic Monitoring of Arsenic in Children: An assessment of exposure near the Baird and McGuire superfund site hazardous waste incinerator, Holbrook, Massachusetts", draft final report. ATSDR. September, 2001.

ERC Site Visitor for NIOSH, November 8-9, 2001. University of Washington Education and Research Center, Seattle, Washington.

Scientific Peer Reviewer. Agency for Toxic Substances and Disease Registry. "Survey of Soil Exposure among residents of the VBI70 Study Population". March 2002.

ERC Site Visitor for NIOSH, November 3-5, 2002. Harvard University Education and Research Center, Boston, Massachusetts.

Course Co-Director. "The Future of Occupational Health Research: NORA in the 21<sup>st</sup> Century". Held at the Michigan Safety Conference, Lansing, Michigan, April 16, 2003. Jointly sponsored by: University of Michigan Center for Occupational Health and Safety Engineering; Michigan Safety Conference Industrial Hygiene

Division; Wayne State University Division of Occupational and Environmental Medicine; College of Human Medicine, Michigan State University.

Study Section Member: RFA for World Trade Center Responder Health Consortium. National Institute for Occupational Safety and Health (NIOSH). Washington, DC. March 3-4, 2004.

Moderator and Author of Invited Paper. "NIOSH B Reader Certification Program: Looking to the Future". ("Digital X-ray imaging in Pneumoconiosis Screening: Future Challenges for the NIOSH B Reader Program"). McLean, Virginia. March 5, 2004.

Course Co-Director. "Addressing Work-Related Musculoskeletal Disorders Through Research and Workplace Ergonomic Programs". Michigan Safety Conference, Lansing, Michigan, April 20, 2004. Jointly sponsored by: University of Michigan Center for Occupational Health and Safety Engineering; Michigan Safety Conference Industrial Hygiene Division; Wayne State University Division of Occupational and Environmental Medicine; College of Human Medicine, Michigan State University.

Member, Michigan Department of Community Health Chemical Emergencies Expert Advisory Panel. 2004-present

Member, Special Emphasis Panel. Program Announcement for State-Based Occupational Safety and Health Surveillance (PAR-04-106). National Institute for Occupational Safety and Health. Washington, DC. December 1-3, 2004.

Course Co-Director. "Health Effects of Metalworking Fluids". Michigan Safety Conference, Lansing, Michigan. April 19, 2005. Jointly sponsored by: University of Michigan Center for Occupational Health and Safety Engineering; Michigan Safety Conference Industrial Hygiene Division; Consultation, Education and Training Division, MIOSHA; Wayne State University Division of Occupational and Environmental Medicine; College of Human Medicine, Michigan State University.

Scientific Peer Reviewer, "Genetics in the Workplace". NIOSH, February, 2006.

Course Co-Director. "Aerosol Characterization: Hard Rock Mining to Nanotechnology". Michigan Safety Conference, Lansing, Michigan. April 18, 2006. Jointly sponsored by: University of Michigan Center for Occupational Health and Safety Engineering; Michigan Safety Conference Industrial Hygiene Division; Consultation, Education and Training Division, MIOSHA; Wayne State University Division of Occupational and Environmental Medicine; College of Human Medicine, Michigan State University.

Member, Safety and Occupational Health Study Section, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health. September, 2006 – present.

Course Organizer. NORA Symposium, Michigan Safety Conference: Mold Research and Practice: The Reality and the Myths. University of Michigan Center for Occupational Health and Safety Engineering, Grand Rapids, Michigan. April 17, 2007.

Participant. International Labour Organisation (ILO) Panel on the Revision of the ILO 2000 Classification of Radiographs of Pneumoconiosis. Rockville, Maryland. March 13-14, 2008.

Session Moderator: Health & Safety Effects/Occupational Medicine. MRF 2008. Dearborn, Michigan. October 6-7, 2008.

## **AWARDS**

Association of Academic Physiatrists Excellence in Research Writing Award for Best Paper of the Year (1995) in the American Journal of Physical Medicine and Rehabilitation: Werner RA, Franzblau A, Johnston E. Comparison of multiple frequency vibrometry testing and sensory nerve conduction measures in screening for carpal tunnel syndrome in an industrial setting. Am J Phys Med Rehab. 1995;74:101-106.

Physical Medicine & Rehabilitation Education and Research Fund Award for the Best Paper of the Year (1997): Werner RA, Franzblau A, Albers JW, Buchele H, Armstrong TJ. Use of screening nerve conduction studies for predicting future carpal tunnel syndrome. Occup Environ Med. 1997;54:96-100.

Visiting Professorship, The Marshfield Clinic. Marshfield, Wisconsin. February 4, 2000.

American College of Occupational and Environmental Medicine Adolph G. Kammer Merit in Authorship Award. May 17, 2000. For: Albers JW, Wald JJ, Werner RA, Franzblau A, Berent S. Absence of polyneuropathy among workers previously diagnosed with solvent-induced toxic encephalopathy. J Occup Environ Med. 1999;41(6):500-509.

Physical Medicine and Rehabilitation Research Education Foundation 2006 Best Research Paper Award. Werner RA, Franzblau A, Gell N. Randomized Controlled Trial of Nocturnal Splinting for Active Workers with Symptoms of Carpal Tunnel Syndrome. Arch Phys Med Rehabil 2005;86(1):1-7.

The Dr. Richard A. and Elizabeth Henby Sutter Visiting Professor Lectureship,  
Department of Medicine, Washington University School of Medicine. St.  
Louis, Missouri. November 14, 2006.

## **PRESENTATIONS**

Franzblau A. "Asbestos-Related Fibrosing Alveolitis: Early Pathophysiology".  
Pulmonary Grand Rounds, The Mount Sinai Hospital. New York, NY. July 8,  
1988.

Franzblau A, Selikoff IJ. "Asbestos-Associated Rounded Atelectasis in a Cohort  
of Insulation Workers". VIIth International Conference on the Pneumoconioses,  
Pittsburgh, PA. August 25, 1988.

Franzblau A. "The Scientific Basis of Evaluation of Asbestos-Associated  
Disease: Radiological Changes of Asbestosis and the ILO System of  
Classification of Radiographs of Pneumoconioses". The Mount Sinai School of  
Medicine. New York, NY. March 7, 1989.

Franzblau A. "The Scientific Basis of Evaluation of Asbestos-Associated  
Disease: Pseudotumors and Asbestosis". The Mount Sinai School of Medicine.  
New York, NY. March 9, 1989.

Franzblau A, Letz RE, Hershman D, Mason P, Wallace JI, Bekesi JG.  
"Quantitative Vibration Threshold Testing (QVTT) and Computer-Based  
Neurobehavioral Testing (NES) of Persons Infected with HIV". Vth International  
Conference on AIDS, Montreal, Canada. June 8, 1989.

Moderator, 41st Annual Selby Discussional. The University of Michigan. Ann  
Arbor, Michigan. Sept. 28, 1989.

Franzblau A. "Asbestos-Associated Rounded Atelectasis". Department of  
Medicine, University of Michigan Medical Center. Ann Arbor, Michigan.  
February 5, 1990.

Franzblau A. "Comprehensive Industrial Hygiene Review: Inhaled Chemical  
Health Hazards - Gases, Vapors, and Particulates". Sponsored by The  
University of Michigan and the Michigan Industrial Hygiene Association. Ann  
Arbor, Michigan. April 3-6, 1990; September 17-20, 1990; April 23-24, 1991;  
September 4-5, 1991; April 7-8, 1992; September 14-15, 1992; March 23-24,  
1993; September 15, 1993; March 23, 1994; August 24, 1994; March 29, 1995;  
August 29, 1995; March 13, 1996; September 10, 1996; March 19, 1997; August,  
1998; March 21, 2000; September 26, 2000; March 29, 2001; September 11,  
2001; April 11, 2002; September 12, 2002; April 1, 2003; July 29, 2003; April 1,  
2004; September 21, 2004; April 5, 2005; September 21, 2005; March 28, 2006;  
September 19, 2007; March 26, 2008; September 23, 2008.

Franzblau A. "Occupational Lung Disease". Department of Medicine, University of Michigan Medical Center. Ann Arbor, Michigan. September 18, 1990.

Franzblau A. "Upper extremity cumulative trauma disorders". Michigan State Medical Society Scientific Conference. Dearborn, Michigan. November 7, 1990.

Moderator, 42nd Selby Discussional. The University of Michigan. Ann Arbor, Michigan. November 8, 1990.

Franzblau A. "Cumulative trauma disorders of upper extremities". University of Washington Northwest Center for Occupational Health and Safety. Seattle, Washington. April 3-4, 1991.

Franzblau A. "Occupational Ergonomics I: Passive and active surveillance for upper limb CTDs". University of Michigan, Center for Ergonomics. Ann Arbor, Michigan. June 17-21, 1991.

Franzblau A, Flaschner D, Albers J, Blitz S, Werner R, Armstrong T. "Medical screening of workers for the presence of upper extremity cumulative trauma disorders". 11th Congress of the International Ergonomics Association, Paris, France. July 1991.

Moderator, 43rd Selby Discussional. University of Michigan. Ann Arbor, Michigan. September 12-13, 1991.

Franzblau A. "Upper extremity cumulative trauma disorders". Biscuit & Cracker Manufacturer's Association Technical Conference, Kansas City, Missouri. September 16, 1991.

Franzblau A. "Occupational Ergonomics: Upper extremity cumulative trauma disorders". Conference entitled "Occupational Ergonomics: Work related upper limb and low back disorders". Sponsored by the University of Michigan. Dallas, Texas. October 21, 1991.

Franzblau A. "The ILO System for Classifying Radiographs of Pneumoconioses: An Overview". University of Michigan Medical Center, Division of Chest Radiology. Ann Arbor, Michigan. January 7, 1992.

Franzblau A. "Occupational Musculoskeletal Injuries: Scope of the Problem". Conference entitled "Occupational Musculoskeletal Injuries: Assessment to Reentry". Sponsored by The University of Michigan Center for Occupational Health and Safety Engineering. Ann Arbor, Michigan. February 11, 1992.

Franzblau A. "Medical Aspects of Ergonomics Related Injuries". Conference entitled "Introduction to Industrial Ergonomics", Sponsored by Michigan

Department of Labor, Bureau of Safety and Regulation. Grand Rapids, Michigan  
March 17, 1992.

Franzblau A. "Surveillance for Upper Extremity Cumulative Disorders".  
Conference entitled "Occupational Ergonomics", Sponsored by The University of  
Michigan Center for Occupational Health and Safety Engineering. Ann Arbor,  
Michigan. April 24, 1992.

Franzblau A. "Upper Extremity Cumulative Trauma Disorders", and  
"Investigation of an Outbreak of Upper Extremity Cumulative Trauma Disorders:  
A Case Study". The Cleveland Clinic Foundation, Cleveland, Ohio. May 15,  
1992.

Franzblau A. "Upper Extremity Cumulative Trauma Disorders". Allied-Signal  
Nurses' Conference, Kansas City, Missouri. May 20, 1992.

Franzblau A. "Occupational Ergonomics: Passive and Active Surveillance for  
Upper Limb Cumulative Trauma Disorders". University of Michigan, Center for  
Ergonomics. June 17, 1992.

Moderator, 44th Selby Discussional. The University of Michigan. Ann Arbor,  
Michigan. September 17-18, 1992.

Franzblau A. "Surveillance for Cumulative Trauma Disorders". International  
Conference on Occupational Disorders of the Upper Extremities. Ann Arbor,  
Michigan. October 1, 1992.

Franzblau A. "Occupational Ergonomics: Passive and Active Surveillance for  
Upper Limb Cumulative Trauma Disorders". University of Michigan, Center for  
Ergonomics and George Washington University. Arlington, Virginia. November  
4, 1992.

Franzblau A. "Occupational Ergonomics: Passive and Active Surveillance for  
Upper Limb Cumulative Trauma Disorders". University of Michigan and the State  
of Michigan. Traverse City, Michigan. March 10-12, 1993.

Franzblau A, Lee EW, Schreck RM, D'Arcy JB, Santrock J, Levine SP. "Absence  
of Formic Acid Accumulation in Urine Following Five Days of Methanol  
Exposure". American Industrial Hygiene Conference & Exposition. New  
Orleans. May 18, 1993.

Franzblau A. "Workplace Surveillance for Carpal Tunnel Syndrome". Annual  
Conference of the Occupational Medicine Association of Canada. Winnipeg,  
Canada. June 7, 1993.

Franzblau A. "Workplace Surveillance for Carpal Tunnel Syndrome". Engineering Summer Conference, University of Michigan. June 9-10, 1993.

Franzblau A. "Occupational Rheumatologic Syndromes of the Upper Extremity". Rheumatology Update 1993, Macomb Hospital Center, Warren, Michigan. June 26, 1993.

Franzblau A. "Occupational Lung Disease - Asbestos". 6th Annual Emergency Services Seminar, Catherine McAuley Health System, Ann Arbor, Michigan. September 24, 1993.

Franzblau A. "Workplace Surveillance for Carpal Tunnel Syndrome". Telemedicine Canada (a nationwide teleconference at six sites across Canada, coordinated via the University of Toronto, Toronto General Hospital). October 5, 1993.

Werner R, Franzblau A. Comparison of vibrometry and electrophysiologic assessment in evaluation of carpal tunnel syndrome. American Association of Electrodiagnostic Medicine. New Orleans. October 8, 1993.

Franzblau A. "Occupational Ergonomics: Passive and Active Surveillance for Upper Limb Cumulative Trauma Disorders". University of Michigan, Center for Ergonomics and George Washington University. Arlington, Virginia. November 2, 1993.

Franzblau A. "Occupational Dust Disease - Pneumoconioses". St. Joseph Mercy Hospital, Ann Arbor, Michigan. December 14, 1993.

Franzblau A. "Occupational Ergonomics: Passive and Active Surveillance for Upper Limb Cumulative Trauma Disorders". University of Michigan, Center for Ergonomics. San Diego, California. February 21, 1994.

Franzblau A. "Cumulative Trauma Disorders: Practical Considerations for Diagnosis and Treatment. Screening for Carpal Tunnel Syndrome in the Workplace". American Occupational Health Conference, Chicago, Illinois. April 21, 1994.

Franzblau A. "New and/or Non-traditional Tools for Workplace Screening for Carpal Tunnel Syndrome: The Scientific Basis". American Occupational Health Conference, Chicago, Illinois. April 22, 1994.

Franzblau A. "Workplace Surveillance for Carpal Tunnel Syndrome". Sponsored by the Safety, Engineering and Training (SET) Program of the State of Michigan, and the University of Michigan. Grand Rapids, Michigan. May 10, 1994.

Franzblau A. "Health Effects of Asbestos". Union of Bricklayers and Allied Craftsmen National Conference, South Bend, Indiana. May 24, 1994.

Franzblau A, Batterman S, Xiao H, Lee EW, Schreck RW, D'arcy JB, Santrock J. "Biological Monitoring Of Exposure To Water-Soluble Compounds Using Alveolar Air: Methanol". American Industrial Hygiene Conference & Exposition. Anaheim, CA. May 25, 1994.

Franzblau A. "New and/or Non-traditional Tools for Workplace Screening for Carpal Tunnel Syndrome: The Scientific Basis." Michigan Occupational Medicine Association. Lansing, Michigan. June 3, 1994.

Franzblau A. "Workplace Surveillance for Carpal Tunnel Syndrome". Engineering Summer Conference, University of Michigan. June 8, 1994.

Franzblau A. "Treatment Strategies for Upper Extremity Cumulative Trauma Disorders". Sponsored by the Safety, Engineering and Training (SET) Program of the State of Michigan, and the University of Michigan. Toledo, Ohio. September 8, 1994.

Franzblau A. "Diagnostic evaluation procedures for carpal tunnel syndrome". Occupational Medicine Update, sponsored by the Deep South Educational Resource Center, University of Alabama. Destin, Florida. September 16, 1994.

Franzblau A. "Evaluation of Screening Techniques for Carpal Tunnel Syndrome Among Active Industrial Workers". General Motors Corporation Ergonomics Conference, Ypsilanti, MI. October 11, 1994.

Moderator, 45th Selby Discussional. The University of Michigan. Ann Arbor, Michigan. October 13, 1994.

Franzblau A. "Evaluation of Workplace Screening Methods for Carpal Tunnel Syndrome: Implications for Future Research and Regulatory Action". Conference on Treatment and Prevention of Upper Extremity Disorders: Challenges in Outcomes Research. Denver, Colorado. October 25-26, 1994.

Franzblau A. "Human response to bioaerosols". Conference on 'Bioaerosols: Health Effects, Exposure Assessment and Control'. The University of Michigan Center for Occupational Health and Safety Engineering. Ann Arbor, MI. November 14, 1994.

Franzblau A. "Pros and Cons of Pre-Placement Screening Techniques for Carpal Tunnel Syndrome". Conference entitled 'Cumulative Trauma Disorders: Considerations in Cost-Effective Assessment, Management and Ergonomic Intervention', Michigan Capital Medical Center, Lansing, Michigan. November 18, 1994.

Franzblau A. "An Evaluation of Workplace Screening Methods for Carpal Tunnel Syndrome". International Conference on Occupational Disorders of the Upper Extremities. San Francisco, CA. December 1-2, 1994.

Franzblau A. "Medical Aspects of Ergonomics Related Injuries". Introduction to Ergonomics. Sponsored by the University of Michigan and Michigan Department of Labor. Ann Arbor, MI. March 29, 1995.

Franzblau A. "Medical and Scientific Views: Screening Methods for Carpal Tunnel Syndrome". Repetitive Stress Injuries: Keying Into the Legal Issues, sponsored by Andrew's Publications. Philadelphia, PA. April 7, 1995.
