EDUCATION and TRAINING

- 9/1965–6/1971 St. Anselm's Abbey School, Washington, DC
- 9/1971-6/1975 Dartmouth College, Hanover, NH; A.B. (Graduated with Highest Distinction)
- 9/1975-12/1982 University of Virginia, Charlottesville, VA; M.A., Ph.D. (clinical psychology & psychophysiology, American Psychological Association accreditation); Dissertation – “Descriptive Parameters of Seizure in Epilepsy: Considerations for Intelligence and Academic Achievement”; Advisors: Stephen Manuck, Ph.D. and Stanley Berent, Ph.D.
- 9/1977-8/1978 Clinical Psychology Internship: Department of Psychiatry, University of Virginia Medical Center, Charlottesville, VA (American Psychological Association accreditation)
- 9/1979-8/1980 NIH (NINCDS) Training Fellowship in Clinical Neuropsychology and Neuroscience. Supervisor: Thomas Boll, Ph.D., Department of Neurology, University of Virginia Medical Center, Charlottesville, VA
- 9/1981-8/1982 Health Science Training Fellowship. Supervisor: Stanley Berent, Ph.D., Department of Psychiatry, University of Michigan Medical Center and Ann Arbor Veteran's Administration (VAMC) Medical Center, Ann Arbor, MI
- 9/1982-8/1984 Postdoctoral Fellowship in Clinical and Research Neuropsychology. Department of Psychiatry, University of Michigan Medical Center and Ann Arbor Veterans Administration Medical Center; Mentor: Stanley Berent, Ph.D., (American Psychological Association accreditation)

CERTIFICATION AND LICENSURE

Michigan, Psychologist, Permanent I.D. No. 005829; Renewed August, bi-annually

ACADEMIC, ADMINISTRATIVE AND CLINICAL APPOINTMENTS

Academic

- 9/1976-8/1981 Research Associate (Psychiatry 1976-1977; Neurology, 1978-1979; Neurosurgery, 1980-1981) University of Virginia
- 9/1984-12/1986 Assistant Professor, Psychiatry, Mt. Sinai School of Medicine
- 1/1987-9/1994 Assistant Professor, Psychiatry and Psychology, University of Michigan
- 10/1994- Associate Professor, tenured, Psychiatry and Psychology, University of Michigan

Administrative

- 1/1998-10/2001 Assistant Section Director, Neuropsychology Section
- 11/2001- Section Director, Neuropsychology Section
- 5/2005 – 4/2006 Chair, Senate Advisory Committee on University Affairs, Senate Assembly and University Senate
- 5/2006 – 4/2007 Vice Chair, Senate Advisory Committee on University Affairs, Senate Assembly and University Senate
- 9/2006 - Leader, Clinical Core, Michigan Alzheimer's Disease Research Center
- 9/2007- Associate Director, Michigan Alzheimer's Disease Research Center

RESEARCH INTERESTS

1. Interaction of cognitive and behavioral factors in the development of mobility difficulties across the life-span, including the influence of executive functioning and attention on motor control and the importance of visual cues and feedback in navigation.
2. Interactions among indices of cognitive performance, cerebral metabolic activity
3. Structural imaging techniques in early detection of cognitive impairment in aging and dementia. He also has been active in research evaluating the generality of basic developmental neuropsychological concepts within cross-cultural settings.

GRANTS

Present and Active

National Institute on Aging (2P50 AG008671-16A1), "Michigan Alzheimer's Disease Research Center," Associate Director: Center; Director: Clinical Core; Investigator: Projects 2 and 3, 6/01/05 – 5/31/10 (\$1,863,048 direct cost annually)

National Institutes of Health, (9 R01 HL080941-05A1) "Identification of Sleep-Disordered Breathing in Children," Investigator; 12/01/05 -07/30/09, (\$540,125 direct cost annually)

National Institutes of Health (1 R01 HL083075-01A1) “A Randomized Controlled Study of Adenotonsillectomy for Childhood Sleep Apnea,” Director: Neuropsychology Assessment and Quality Assurance Core; 07/01/06 – 06/30/11 (\$1,367,634 direct cost annually).

University of Michigan, Global Health Research and Training Initiative, “The Neuropsychological Impact of a Computerized Cognitive Rehabilitation Training Intervention with Ugandan Cerebral Malaria Survivors,” Principal Investigator, 01/01/2007 – 01/01/2008 (\$15,000 direct cost annually).

University of Michigan Medical School, Global Reach Program, “Neuropsychological, Cognitive, and Academic Benefits of a Computerized Cognitive Rehabilitation Training Intervention for HIV-infected Ugandan School Children,” Investigator, 07/01/07 – 06/30/08, (\$15,000 direct cost annually).

Metanexus Institute (via Michigan State University), “Breast Cancer Disease and Treatment: Modeling the Relationships among Spiritual and Emotional Well-Being Quality of Life, Neuropsychological Function and Immunological Resilience,” Investigator 06/01/06 - 05/31/09 (\$344,616, direct cost annually).

NIH, “Neurological Emergencies Treatment Trials Network: Clinical Coordinator Center” Investigator 07/01/06 - 07/31/11 (\$8,953,921).

National Institutes of Health (Alzheimer’s Disease Cooperative Study) “Multi-Center Trial to Evaluate Home-Based Assessment Methods for Alzheimer’s Disease Prevention Research in People Over 75 Years Old,” Principal Investigator 07/01/07 – 12/31/12 (\$95,200).

Major Previous Grants

National Institutes of Health/National Research Service Award (5F31GM19520), “Cognitive and Mobility Factors in Developmental Coordination Disorder,” Investigator; 9/1/97-8/30/00 (approximately \$28,565 direct cost annually)

Coca Cola Foundation, UM Undergraduate Research Opportunity Program, “Non-Verbal Tactile Kinesthetic Learning Using Familiar and Unfamiliar Shapes,” Investigator; 12/15/99-12/15/00 (\$4,545)

National Institutes of Health (NIH 2R01 NS 24896), "Emission Computed Tomography of Local Cerebral Function," Investigator; 4/1/96-11/30/01 (approximately \$508,148 direct cost annually)

Pfizer Global Research & Development “Cognitive Add-On for A Multiple-Dose-Proportionality Study of Pagoclone (CI-1043) Capsules in Healthy Subjects” (Protocol 1043-24); Principal Investigator; 7/1/00-6/30/01; (\$14,398 direct cost annually)

Dow AgroScience “The Effects of Chlorpyrifos on Human Behavior and the Nervous System,” Investigator; 07/01/99 – 06/30/02 (\$350,000 direct cost)

Pfizer Global Research & Development “Cognitive Effects in a Rising, Multiple-Dose Tolerance, and Pharmacokinetic Study of Pagoclone (CI-1043) in Healthy Subjects” (Protocol 1043-032-0) Principal Investigator; 4/1/01-3/31/02 (\$31,744 direct cost)

Pfizer Global Research & Development “Cognitive Assessment Add-On for An Oral, Rising, Multiple Dose Tolerance and Pharmacokinetic Study of CI-1045 Capsule Doses in Healthy Volunteers” (Protocol 1045-005-0) Principal Investigator; 3/1/01- 2/28/02 (\$34,976 direct cost)

University of Michigan “Influence of Cognition on Motor Performance in Children,” University of Michigan Faculty Mini-Grant, UM Undergraduate Research Opportunity Program, Principal Investigator ; 6/1/01 – 5/31/02, (\$4,664)

National Institutes of Health/National Institute on Aging (P01AG10542A2), "Fundamental Aspects of Mobility in Old Adults," Principal Investigator: Neuropsychology Research Core; 4/01/98 - 3/31/04 (approximately \$614,298 direct cost)

National Institutes of Health (1R01 HD38461), “Behavioral Effect of Obstructive Sleep Apnea in Children,” Investigator; 10/01/99 - 2/28/04 (\$259,373 direct cost)

National Institutes of Health (5R01DK51337) "Cognition, Steroids, and Imaging in Cushing's Disease," Investigator; 04/1/96-8/31/04 (approximately \$141,551 direct cost annually)

Michigan Alzheimer’s Disease Research Center Grant (Supplement), “Michigan Gift of Knowledge Program,” (#5P50AG08671), Investigator; 6/01/99 - 5/30/05 (\$85,578 direct cost annually)

National Institutes of Health/National Institute on Aging (P50 AG08671), "Michigan Alzheimer's Disease Research Center,” Investigator: Clinical Core; 2004-on; 6/1/99-5/31/05 (approximately \$1,368,202 direct cost annually)

National Institutes of Health (1R03AG023239-01), “Cognitive Impairment Influences Gait in Aging,” Principal Investigator, 02/01/04 – 12/31/05, (\$153,000 direct cost annually)

Medtronic, Inc. (Physician initiated research agreement), “Intrathecal Versus Oral Baclofen: A Randomized Controlled Comparison of Cognitive Changes in Children with Cerebral Spasticity,” Co-Investigator, 07/01/03 – 06/30/05, (\$42,312 direct cost annually).

Pfizer, Inc. “A Multi-Site, Cross-Sectional , Non-Treatment, Prospective Trial to Collect Bio-Fluids and Neuropsychiatric Data from Cognitively Normal Elderly Subjects,” Principal Investigator, 05/01/2006 – 04/30/2008 (\$15,000 direct cost annually).

HONORS AND AWARDS

- 1973-75 Psychology Honors Programs (Dartmouth College)
1974-75 Dartmouth College Rufus Choate Scholar
1975 College Citations: Research in Psychology
Research in Early Childhood Education
Modern American Novels and Writing
1975 Graduated with Highest Distinction (Dartmouth College)
1980 Sigma Xi
1980 Psi Chi
1993 University of Michigan Medical School Lump-Sum Program Award
1996 Special Contribution Award, Council for Disability Concerns, University of Michigan
1999 Faculty Mini-Grant Award, Undergraduate Research Opportunity Program
1999 Elected Fellow of the American Psychological Association (Division 40, Clinical Neuropsychology)
2001 Faculty Mini-Grant Award, Undergraduate Research Opportunity Program
2001 Faculty Career Development Award, Office of the Provost and Executive Vice President for Academic Affairs
2003 Faculty Founder's Award for Outstanding Research Mentorship, Undergraduate Research Opportunity Program, University of Michigan

MEMBERSHIPS IN PROFESSIONAL SOCIETIES

- 1982- American Psychological Association, Division 40 (Neuropsychology), Division 12 (Clinical), Division 28 (Psychopharmacology), Division 20 (Adult Development and Aging).
1982- American Association for the Advancement of Science.
1983- Academy of Neurology.
1983- American Epilepsy Society.
1983- International Neuropsychological Society
1998- National Academy of Neuropsychology
2002- American Society of Clinical Psychopharmacology
2003- Sleep Research Society
2004 American Association of University Professors

EDITORIAL POSITIONS, BOARDS, AND PEER-REVIEW SERVICE

Journal Reviewer

Neurology, Epilepsia, Psychological Bulletin, The Clinical Neuropsychologist, Neuropsychologia, Psychopharmacology, Journal of the International Neuropsychological Society, Biological Psychiatry, Psychological Medicine, Psychology and Aging

Special Guest Editorship

Advances in Neuropsychology, Journal of Geriatric Psychiatry and Neurology, 2007

Study Sections

- 1993 "Pediatric AIDS Clinical Trial Program," (RFA NIH 92-10), Panel A.
- 1993 "Pediatric AIDS Clinical Trial Program," (RFA NIH 92-AI-10), Panel C.3: Special Review for Developmental Neuropsychology and Neurology Optional Projects
- 1993 "Pediatric AIDS Clinical Trial Program," (RFA NIH-NIAID-92-AI-10): Special review for Developmental Neuropsychological Assessment Research

Reviewer

- 1995 NIDCD RO3 Small Grant Program
- 2007 Alzheimer's Association 2007 Research Grants Program
- 2008 Alzheimer's Disease Research Center (ADRC) Review meeting – NIA/NIH, RFA-AG-09-001, October, 2008

TEACHING

National

- 1984 Instructor, Course 203, Epilepsy, American Academy of Neurology, Boston, MA.
- 1990- Training/Supervisory Faculty, Ann Arbor Veteran's Administration Medical Center APA Approved Internship.
- 1990 Workshop Leader, Minority Summer Research Opportunity Program Conference, University of Iowa
- 1990-1991 Faculty Sponsor, "Excellence in Undergraduate Research Experience Knowledge and Achievement"; Fifth National Conference on Undergraduate Research, California Institute of Technology
- 1992- Series Director, Developmental Neuropsychology, Core Curriculum Didactic Series, Psychology Service, Ann Arbor Veterans Administration Medical Center
- 1993 Faculty Sponsor, Second National Conference on Diversity in the Scientific and Technological Workforce, National Science Foundation

University of Michigan

- 1987-2000 Psychiatry Resident Summer Core, Introduction to Neuropsychology
- 1987- Individual Clinical and Research Training of Psychiatry Residents, Psychology Interns, Postdoctoral Fellows

- 1987-1989 Coordinator of Training, Neuropsychology Program
- 1988-2002 Clinical Skills 510, Medical School (group instructor)
- 1988-1996 PGY III/C.F. Core Curriculum, Developmental Neuropsychology, Department of Psychiatry (series director)
- 1988-1996 PGY IV/C.F. Core Curriculum, Brain-Behavior Sequence, Department of Psychiatry
- 1988-1989 Medical School Summer Research Training Program (preceptor)
- 1988- Faculty Sponsor, Undergraduate Research Opportunity Program (LS&A)
- 1988- Chair and Committee Memberships, graduate student Doctoral Dissertations and Masters Theses (LS&A)
- 1988- Undergraduate Independent Research and Tutorial, Psychology 504/506 (LS&A)
- 1988- Guest lectures to Psychology, Education, and Social Work classes and workshops (LS&A)
- 1989-1991 English Composition Board Junior/Senior Writing Requirement (individual instructor) (LS&A)
- 1989- Training Advisory Committee, Neuropsychology Program
- 1989-2003 Coordinator for Undergraduate and Graduate Student Activities, Neuropsychology Section
- 1990- Summer Research Opportunity Program for Minority Undergraduates (faculty sponsor) (LS&A)
- 1991 University of Michigan Summer Research Opportunity Program Conference (workshop leader)
- 1991-1996 "Neuropsychological Assessment of Children and Adults," annual invited lecture for Psychological Assessment Symposium, School of Social Work (LS&A)
- 1991-1993 Weekly Developmental Neuropsychology Research Course, Neuropsychology Program (series director)
- 1992- Faculty Sponsor, Department of Psychology Undergraduate Internship Program, University of Michigan, Dearborn
- 1992- Basic Neuroscience Conference, Neuropsychology Series, Department of Neurology
- 1995- Mentoring Faculty, Multidisciplinary Alcoholism Research Training Program
- 1997-2000 Faculty Mentor, Freshman Mentoring Program (LS&A)
- 1997- Summer Science Academy, Medical School, University of Michigan
- 2006 "Screening for AD and Dementia," invited speaker for lectures on Critical Care Issues in the Care of Older Adults: Dementia; Towsley Center for Continuing Medical Education, University of Michigan Medical Center, Ann Arbor, MI, October 5-6, 2006.
- 2007 "Prevention and Treatment of AD and Cognitive Impairment" and "Screening for AD and Cognitive Impairment," invited speaker for the 31st Midwinter Family Practice Update presented by the University of Michigan Department of Family Medicine and the Michigan Academy of Family Physicians, Harbor Springs, MI, January 28-February 2, 2007

COMMITTEE, ORGANIZATIONAL, AND VOLUNTEER SERVICE

Institutional

- 1987-2000 Coordinator of Child and Family Activities, Neuropsychology Section, Department of Psychiatry
- 1987-2003 Coordinator of Research and Data Management, Neuropsychology Section, Department of Psychiatry
- 1988-1992 Biometrics Committee, Department of Psychiatry
- 1988 Psychiatry Department Review Committee for Day Treatment Program.
- 1988-1989 Acting Director, Neuropsychology Section, Department of Psychiatry (10/1988-4/1989)
- 1988-1996 Coordinator, monthly Neuropsychology/Behavioral Neurology Seminar Series
- 1991- Design Committee for Therapy Assessment Room Functions for the Cancer and Geriatrics Centers
- 1991-1993 Investigators Committee, Michigan Alzheimer's Disease Research Center
- 1991- Committee for Policy/Protocol to Establish the Diagnosis and Management of Students with Learning Disabilities
- 1991- Training Committee, Neuropsychology Section, Department of Psychiatry
- 1991- Development, oversight, and coordination of Neuropsychology Program specialized assessment programs for Michigan Alzheimer's Disease Research Center Clinic and Department of Neurology Movement Disorders Clinic
- 1991-1998 Neuropsychology Program Liaison to Reading and Learning Skills Center
- 1992 Clinical Skills Committee to Establish a Mock Patient Assessment Program for First Year Medical Students
- 1992- Neuropsychology Program Liaison to the University of Michigan Office of the Vice President for Student Affairs, Counseling Services; (supervision of Counseling Services psychologist completing evaluations of students with possible learning disabilities)
- 1993-2001 Associate Director, Neuropsychology Section; Director, Neuropsychology Clinics
- 1993 Ad Hoc Task Force to Establish Criteria for Diagnosing Learning Disabilities, University of Michigan Office of Services for Students with Disabilities
- 1993- Standing Committee to Review Students' Criteria for Learning Disabilities, University of Michigan Office of Services for Students with Disabilities
- 1993 Committee to review inpatient and outpatient psychological assessment services in the Child and Adolescent Psychiatric Hospital (chair)
- 1994-1998 Appointments and Promotions Committee, Department of Psychiatry
- 1995- Psychology Training Committee, Department of Psychiatry
- 1995-2000 Committee on Student Biomedical Research; Office of Student Biomedical Research Programs
- 1995- Review Committee for Medical Student Graduation Awards; Office of Student Biomedical Research Programs
- 1999-2001 Research Policies Committee, Senate Advisory Committee on University Affairs (SACUA) (Chair, 2000 – 2001)
- 2001- Section Director, Neuropsychology Section

2002-2004 Senate Assembly, representative
 2002–2005 Academic Affairs Advisory Committee (AAAC) (Chair, 2004-2005)
 2003- Psychology Executive Committee, Department of Psychiatry
 2004-2007 Senate Advisory Committee on University Affairs (SACUA), (Chair 05/2005 – 04/2006; Vice Chair 05/2006 – 04/2007)
 2004-2005 SACUA Liaison to Development Advisory Committee and Committee for a Multicultural University
 2004- Executive Committee, Michigan Alzheimer’s Disease Research Center (MADRC)
 2004 SACUA Childcare Taskforce
 2005-2009 Member, Advisory Board on Intercollegiate Athletics, University of Michigan
 2005- Michigan Alzheimer’s Disease Research Center (MADRC) Executive Committee
 2005-2006 Task Force to Review Proposed Senate Rules Changes, University Senate
 2005-2007 SACUA Liaison to Communications Advisory Committee and Rules Committee
 2006-2007 Faculty Grievance Monitor, Senate Assembly, University of Michigan
 2006- Faculty and Staff Assistance Program (FASAP) and Mediation Services Advisory Board, University of Michigan
 2007- Oversight and Advisory Committee for the Pharmacy Benefits Oversight Committee (PBOC)
 2007- Member, School of Nursing Special Committee for Review of Governance
 2008 Institute for Human Adjustment (IHA) Search committee for director
 2008 Search advisory committee for Associate Director of Athletics and Director of Academic Success Program
 2008-2013 Member, Data Safety Monitoring Board for UM SCI (spinal cord injury) model system’s site specific project

National

1983-1985 The Epilepsy Foundation of America Advisory Committee on Learning Disorders.
 1992- Ann Arbor Veteran's Administration Medical Center Psychology Internship Training Committee.
 1997-1998 Program Committee, International Neuropsychological Society
 2005-2007 Member, M-CARE Behavioral Health Quality Committee
 2007- Member, Board of Directors, Alzheimer’s Association, Great Lakes Chapter
 2008- Member, American Psychological Association Science Directorate’s Dissertation Research Award Review Committee

Volunteer Service

1988-1992 Sunday Classroom Volunteer, St. Francis of Assisi Catholic Church

- 1989-1998 Weekly Classroom Volunteer and Computer Instruction, Burns Park Elementary School
- 1995-1998 Activity Volunteer, Tappan Middle School
- 1996-2001 Board of Directors (President, 1998-99), Racquet Club of Ann Arbor
- 2005- Ann Arbor Memory Walk Planning Committee, Alzheimer's Association, Michigan Great Lakes Chapter

CONSULTING POSITIONS

- 1982-1984 Ann Arbor VA Medical Center, Ann Arbor, MI.
- 1989-1991 Research and Development, Searle, Inc., Skokie, IL.
- 1987-2000 Pharmacology Clinical Research Section, Warner-Lambert/Parke-Davis, Ann Arbor, MI.
- 1995- American Board of Pathology, Tampa, FL.
- 1995-1999 Allied Health Staff of Addison Community Hospital, Addison, MI
- 1999-2003 Forest Health Medical Center, Ypsilanti, MI
- 2002-2004 Pharmacology Clinical Research Section, Pfizer, Ann Arbor, MI

VISITING PROFESSORSHIPS, SEMINARS, AND EXTRAMURAL INVITED PRESENTATIONS

- "Disability Caused by Mild Head Injuries," invited plenary session paper for Annual Meeting of the American Association of Neurological Surgeons, April 26, 1981
- "Determinants of Coping with Epilepsy," invited lecture for American Epilepsy Society special symposium on The Neurologically Impaired Individual. Richmond, Virginia, April 2, 1987
- "Cognitive and Behavioral Disturbances Related to Drugs," invited lecture for American Epilepsy Society special symposium: The Neurologically Impaired Individual, Richmond, VA, April 3, 1987
- "Neuropsychological Assessment", presentation and workshop for International Symposium on Mild to Moderate Head Injury, Towsley Center, University of Michigan/General Motors Corporation, November 24, 1987
- "The Relationship Between Anxiety and Cerebral Cortical Metabolism in Normal Persons," invited post-session discussant for XIV International Symposium on Cerebral Blood Flow and Metabolism, Bologna, Italy, May 29, 1989
- "Neuropsychology and Neuropsychological Assessment: An Update," invited lecture for the annual meeting of the Michigan Psychiatric Society, Ann Arbor, MI, April 18, 1991
- "Cognitive Disturbances in Patients with Pseudoseizures," invited lecture for symposium on Epilepsy Advances: Psychological Problems in Epilepsy, Towsley Center for Continuing Medical Education, University of Michigan Medical Center, Ann Arbor, MI, November 9, 1992
- "Intellectual Disturbances in Epilepsy," invited lecture for symposium on Epilepsy Advances: Psychological Problems in Epilepsy, Towsley Center for Continuing Medical Education, University of Michigan Medical Center, November 10, 1992

- "Diagnostic Considerations in Pseudo-Seizures: Neuropsychological Factors," invited lecture for Neuropsychology Interest Group, American Epilepsy Society, Westin Hotel, Seattle, WA, December 8, 1992
- "Child and Adult Learning Disabilities;" grand rounds presentation, Michigan State University/Kalamazoo Center for Medical Studies, Department of Pediatrics, Kalamazoo, MI, June 4, 1993
- "Behavioral and Learning Disorders", invited lecture for Michigan State University/Kellogg Center Symposium on Treating the Developmentally Disabled, Lansing, MI, September 11, 1993
- "Psychological Treatment Approaches", invited workshop for Michigan State University/Kellogg Center Symposium on Treating the Developmentally Disabled, Lansing, MI, September 11, 1993
- "Identification and Evaluation of Adults with Learning and Attention Disorders", invited lecture for annual meeting of the Michigan Society for Medical Technology, Romulus, MI, April 27, 1994
- "Influence of Cognition on Falls and Immobility," invited lecture for Critical Clinical Issues in the care of the Elderly, Towsley Center for Continuing Medical Education, University of Michigan Medical Center, Ann Arbor, MI, September 8-9, 1994
- "The Role of Mentorship in a University Setting," keynote address, UROP Spring Symposium, University of Michigan, Ann Arbor, MI, April 17, 1996
- "Dementia Workshop for the AHEAD/HRS Studies," invited participant and discussant. Workshop sponsored by NIA at University of Michigan ISR, February 24-25, 1997
- "Neuropsychological Assessment in Epilepsy," invited lecture for Neuropsychology Interest Group, American Epilepsy Society, Sheraton Hotel and Marina, San Diego, CA, December 8, 1998.
- "Promoting Mobility and Preventing Falls," invited lecture for Edna Gates Conference on Dementia Care, Novi Hilton, Novi, MI, April 3-5, 2001.
- "Neuropsychological Testing in Phase I Research," invited lecture for Association of Clinical Pharmacology Units Conference, Campus Inn, Ann Arbor, MI, October 8-9, 2002.
- "Adult Learning Disabilities," invited presenter in Law School Forum sponsored by Disabilities Committee of the Open Justice Commission of the State Bar of Michigan, Lansing, MI, October 17, 2002.
- "Involving All of the Students Some of the Time vs. Involving Some of the Students All of the Time," invited participant for Undergraduate Research and Scholarship and the Mission of The Research University, University of Maryland, November 14-15, 2002.
- International Pediatric Neurodevelopment Meeting, invited participant for National Institute of Health, National Institute of Mental Health, and Center for Mental Health Research on AIDS, NIH Neuroscience Center, June 20, 2003.
- "Sleep and Executive and Memory Function in Children," invited lecture for symposium for annual meeting of Associated Professional Sleep Societies, Denver, CO, June, 2005.
- "Assessment of Executive Function Through the Dual Tasking Paradigm, invited speaker for The International Congress on Gait & Mental Function, Madrid, Spain, February, 2006.
- "Update on AD: Screening, Treatment, Prevention," invited speaker for the Michigan State University School of Medicine Neurology Residency Training Conference, Lansing, MI, February 2, 2007.

- “Considerations in the Differential Diagnosis of Patients with Dementia: Cognition, Behavior, and Imaging,” invited speaker for the Eastern Michigan University Program on Alzheimer’s Disease Education, Ypsilanti, MI, June 12, 2007.
- “Awareness into Action,” keynote speaker for the Alzheimer’s Association Northwest Ohio Chapter annual spring education conference, Perrysburg, OH, April 10, 2008.
- Transportation Research and Education Conference, invited educational panelist for the Michigan Center for Advancing Safe Transportation throughout the Lifespan, University of Michigan, May 6, 2008.
- "Memory and Aging," invited speaker for Michigan Association of Homes and Services for the Aging 40th Annual Conference, Kalamazoo, MI, April 28-30, 2008.
- “Memory and Aging: Research Advances & Opportunities,” workshop for Michigan State University School of Social Work, September 27, 2008.
- “Alzheimer’s Disease 101” and “Non Pharmacological Approaches to AD Treatment,” two presentations for “Advances in Alzheimer Research,” invited speaker for Alzheimer’s Association program, East Lansing, MI, November 5, 2008.
- “Rational Use of Neuropsychological Testing,” invited speaker for MAC Sports Medicine Association Annual Spring Meeting, Eastern Michigan University, Ypsilanti, MI, May 18-19, 2009.
