## **EDUCATION and TRAINING**

### **UNDERGRADUATE:**

<u>Dates</u>	<u>Name and Location of Institution</u>	<u>Degree and Year</u>	<u>Major Subject</u>
9/74 – 6/87	Punahou School, Honolulu, Hawaii	High School	N/A
9/87 – 6/92	University of California, Davis, California	B.S., 1992	Electrical Engineering

### **GRADUATE:**

<u>Dates</u>	<u>Name and Location of Institution</u>	<u>Degree and Year</u>	<u>Discipline</u>
8/92 – 5/96	Wake Forest University School of Medicine Winston-Salem, North Carolina	M.D., 1996	Medicine
6/94 – 7/94	Officer Indoctrination School Department of the Navy	Graduated with Distinction	Physical Fitness

### **POSTGRADUATE:**

<u>Dates</u>	<u>Name and Location of Institution</u>	<u>Name of Program Director and Discipline</u>
6/96 – 7/97	Section of General Surgery Univ. of Michigan Medical Center Ann Arbor, Michigan	Larry S. Matthews, M.D., Orthopaedic Surgery Internship
7/97 – 7/01	Section of Orthopaedic Surgery Univ. of Michigan Medical Center Ann Arbor, Michigan	Larry S. Matthews, M.D., Orthopaedic Surgery Residency
8/01 – 8/02	Center for Sports Medicine Univ. of Pittsburgh Medical Center Pittsburgh, Pennsylvania	Christopher D. Harner, M.D., Sports Medicine and Shoulder Fellowship
8/05	Steadman-Hawkins Clinic	Marc J. Philippon, M.D., Two Week Mini-

	Vail, Colorado	Fellowship in Hip Arthroscopy
5/06	AOSSM/ESSKA European Sports Medicine Traveling Fellowship	Robert E. Hunter, M.D., Godfather

---

## **CERTIFICATION and LICENSURE**

### **SPECIALTY CERTIFICATION:**

<u>Certifying Board</u>	<u>Date</u>
United States Medical Licensing Examination, Step I	1994
United States Medical Licensing Examination, Step II	1995
United States Medical Licensing Examination, Step III	1997
American Board of Orthopaedic Surgery: Part I (written)	2001
American Board of Orthopaedic Surgery: Part II (oral)	2004-2014
American Board of Orthopaedic Surgery: Subspecialty Certification in Orthopaedic Sports Medicine	11/9/07 – 12/31/17

### **MEDICAL LICENSURE:**

<u>Licensing Board/State</u>	<u>Date</u>
Michigan State Educational Limited License	1996-2001
Pennsylvania State Medical License	2001-2002
	2005-2008
Virginia State Medical License	2002-2005
Michigan State Medical License	2007-Present
Michigan State Controlled Substance License	2007-Present

---

## **ACADEMIC, ADMINISTRATIVE, and CLINICAL APPOINTMENTS**

### **ACADEMIC:**

<u>Years Inclusive</u>	<u>Name and Location of Institution/Organization</u>	<u>Rank/Title</u>
9/02 – 8/05	Bone & Joint/Sports Medicine Institute Department of Orthopaedic Surgery Naval Medical Center Portsmouth Portsmouth, Virginia	Research Coordinator
9/03 – Present	Department of Surgery F. Edward Hebert School of Medicine Uniformed Services University of the Health Sciences Bethesda, Maryland	Assistant Professor
8/05 – 6/30/07	Department of Orthopaedic Surgery	Assistant Professor

## RESEARCH INTERESTS

1. Bony defects and glenohumeral instability
2. Arthroscopic management of shoulder instability
3. Failed shoulder instability surgery
4. Meniscus deficiency and meniscal allograft transplantation
5. PCL injury and surgical reconstruction
6. Multiple ligament knee injuries
7. Multi-center outcomes in hip arthroscopy
8. Hip biomechanics and instability

## GRANTS

### EXTRAMURAL:

- 1/04 – 12/05 *American Shoulder and Elbow Surgeon's/Orthopaedic Research and Education Foundation's Research Grant* (Principal Investigator) (\$10,000); **Sekiya JK**, McMahon PJ, Debski RE: Humeral head defects (Hill-Sachs lesions) associated with anterior shoulder instability: The effect of defect size, measurement parameters, and percutaneous correction (humeroplasty) on glenohumeral translation
- 4/04 – 12/05 *Arthroscopy Association of North America's/Orthopaedic Research and Education Foundation's Research Grant* (Principal Investigator) (\$24,983); **Sekiya JK**, McMahon PJ, Debski RE: Humeral head defects (Hill-Sachs lesions) associated with anterior shoulder instability: The effect of defect size, measurement parameters, and percutaneous correction (humeroplasty) on glenohumeral translation
- 10/06 – 9/07 *United States Department of Defense* (Co-Investigator, 10%) (\$2,100,000); Injury prevention and performance enhancement in Navy SEALs (Principal Investigator Scott Lephart, PhD). The major goal of this study is to develop an injury prevention and performance enhancement training program specific to the Navy SEALs based on the demands of training and missions.
- 7/07 – 7/09 *Orthopaedic Research and Education Foundation's Research Grant* (Principal Investigator) (\$100,000); **Sekiya JK**, McMahon PJ, Debski RE: Osteoarticular allograft reconstruction of humeral head defects associated with shoulder instability

### INTRAMURAL:

- 1997 *William S. Smith Education and Research Fund, Section of Orthopaedic Surgery, University of Michigan* (Principal Investigator) (\$1,200); **Sekiya JK**, Evensen KE, Jebson PJJ, Kuhn JE: The effect of knee and ankle position on displacement of achilles tendon ruptures in a cadaveric model: Implications for non-operative management
- 2002 *Commanders Research Grant, Office of Graduate Medical Education, Naval*

*Medical Center Portsmouth* (Principal Investigator) (\$15,000); **Sekiya JK**, Kurtz CA, Carr DR, Enad J, Unger DV: A prospective, randomized, controlled clinical study following a double-bundle posterior cruciate ligament reconstruction: A comparison between the trans-tibial and tibial inlay technique

2004 *Commanders Research Grant, Office of Graduate Medical Education, Naval Medical Center Portsmouth* (Principal Investigator) (\$4,000); **Sekiya JK**, Whiddon D, Miller MD: Physical examination, KT-1000, and stress radiographic evaluation of posterior cruciate ligament and posterolateral corner knee deficiency before and after surgical reconstruction: A cadaveric study

2005 *Commanders Research Grant, Office of Graduate Medical Education, Naval Medical Center Portsmouth* (Co-Investigator) (\$2,600); Ellingson C, Kelly M, **Sekiya JK**, Unger DV: Clinical results of surgical repair for pectoralis major muscle tears

2005 *Commanders Research Grant, Office of Graduate Medical Education, Naval Medical Center Portsmouth* (Co-Investigator) (\$2,600); Peterson S, Conza J, **Sekiya JK**, Unger DV: A clinical comparison following arthroscopic meniscectomy in two groups of US Naval personnel

2/2008 *Faculty Developmental Grant Program, Department of Orthopaedic Surgery, University of Michigan* (Principal Investigator) (\$25,168); **Sekiya JK**, Ruberte Thiele RA, Gibbs AE, Debski RE, Hughes RE: Biomechanical analysis of the hip joint

12/2008 *Bone & Joint Injury Prevention & Rehabilitation Center, Department of Orthopaedic Surgery, University of Michigan* (Principal Investigator) (\$35,000); Sekiya JK, Zernicke RF, Ruberte Thiele RA, Debski RE, Hughes RE: The Role of the Acetabular Labrum in Hip Joint Function.

INDUSTRY:

1996 *Acumed Research Equipment Grant* (Co-Investigator) (\$6,600); Tun S, **Sekiya JK**, Jebson P JL, Goldstein SA: A comparative study of mini-external fixators for the treatment of metacarpal fractures

1996 *Synthes Corporation Research Equipment Grant* (Co-Investigator) (\$14,800); Tun S, **Sekiya JK**, Jebson P JL, Goldstein SA: A comparative study of mini-external fixators for the treatment of metacarpal fractures

1996 *Howmedica Research Equipment Grant* (Co-Investigator) (\$14,000); Tun S, **Sekiya JK**, Jebson P JL, Goldstein SA: A comparative study of mini-external fixators for the treatment of metacarpal fractures

1996 *EBI Medical Systems Research Equipment Grant* (Co-Investigator) (\$8,400); Tun S, **Sekiya JK**, Jebson P JL, Goldstein SA: A comparative study of mini-external

fixators for the treatment of metacarpal fractures

1996 **Orthofix Research Equipment Grant** (Co-Investigator) (\$8,500); Tun S, **Sekiya JK**, Jebson PJJ, Goldstein SA: A comparative study of mini-external fixators for the treatment of metacarpal fractures

## HONORS and AWARDS

Title of Award	Year
<b>Alternate, American Orthopaedic Association-Zimmer 11<sup>th</sup> Annual Travel Awards Competition for Orthopaedic Residents; Sekiya JK</b> , Wojtys EW, Loder RT, Hensinger RN: Hip arthroscopy using a limited anterior exposure, Asheville, North Carolina	1998
<b>Clinical Orthopaedic Society Residents' Paper Award Competition; Sekiya JK</b> , Ruch DS, Hunter DM, Pope TL, Koman LA, Poehling GG, Russell GB: The role of arthroscopy in the staging of avascular necrosis of the femoral head, New Orleans, Louisiana	1998
<b>James D. Baril Educational Endowment Award for Resident Research</b> ; Section of Orthopaedic Surgery, University of Michigan Medical Center, Ann Arbor, Michigan	1999
<b>Arthroscopy Association of North America's Resident/Fellow Clinical Essay Award; Sekiya JK</b> , Ruch DS, Hunter DM, Pope TL, Koman LA, Poehling GG, Russell GB: The role of hip arthroscopy in the staging of avascular necrosis of the femoral head, Vancouver, Canada	1999
<b>2<sup>nd</sup> place, Pennsylvania Orthopaedic Society's Resident/Fellow Competition; Sekiya JK</b> , Francis KA, Giffin RJ, Irrgang FH, Fu FH, Harner CD: Clinical outcomes following combined meniscal allograft transplantation and ACL reconstruction, Puerto Rico	2002
<b>National Defense Service Medal</b> ; Medal for active duty service during an armed conflict, United States Navy	2002
<b>Cabaud Memorial Award for Excellence in Basic Science/In Vitro Sports Medicine Research, American Orthopaedic Society for Sports Medicine; Sekiya JK</b> , Haemmerle MJ, Stabile KJ, Vogrin TM, Harner CD: Biomechanical analysis of a double-bundle posterior cruciate ligament and posterolateral corner reconstruction, San Diego, California	2003
<b>Best Oral Presentation - Approved research conducted at a facility other than Naval Medical Center Portsmouth, Clinical Investigation Department's Research Competition</b> , Naval Medical Center Portsmouth; <b>Sekiya JK</b> , Haemmerle MJ, Stabile KJ, Vogrin TM, Harner CD: Biomechanical analysis of combined double bundle posterior cruciate ligament and posterolateral corner knee reconstruction, Portsmouth, Virginia	2003
<b>Best Oral Presentation - IRB-Approved Research Conducted at the Naval Medical Center Portsmouth, Clinical Investigation Department's Research Competition</b> , Naval Medical Center Portsmouth; Stewart JD, Hulse D, Athanasiou KA, <b>Sekiya JK</b> : The effects of orally administered glucosamine and chondroitin sulfate on articular cartilage in a canine osteoarthritis model, Portsmouth, Virginia	2003
<b>Best Overall Poster Presentation, Clinical Investigation Department's Research</b>	2003

- Competition**, Naval Medical Center Portsmouth; **Sekiya JK**, Giffin RJ, Irrgang FH, Fu FH, Harner CD: Clinical outcomes following combined meniscal allograft transplantation and ACL reconstruction, Portsmouth, Virginia
- Military Readiness Award, Clinical Investigation Department's Research Competition**, Naval Medical Center Portsmouth; **Sekiya JK**, Giffin RJ, Irrgang FH, Fu FH, Harner CD: Clinical outcomes following combined meniscal allograft transplantation and ACL reconstruction, Portsmouth, Virginia 2003
- Best Paper Award, Virginia Orthopaedic Society**; Stewart JD, Hulse D, Athanasiou KA, **Sekiya JK**: The effects of orally administered glucosamine and chondroitin sulfate on articular cartilage in a canine osteoarthritis model, Williamsburg, Virginia 2003
- Global War on Terrorism Expeditionary Medal**; Medal awarded to United States military forces involved in actual operations around the globe involved in the war against terrorism, United States Navy 2005
- Global War on Terrorism Service Medal**; Medal awarded to United States military Forces involved in supporting operations involved in the war against terrorism anywhere in the world, United States Navy 2005
- Presidential Unit Citation**; Citation awarded for service in a unit cited in the name of The president for outstanding performance in action, First Marine Expeditionary Forces and units deployed in support of this force during Operation Iraqi Freedom, United States Navy 2005
- Meritorious Unit Commendation**; Citation awarded for outstanding service at the Naval Medical Center Portsmouth between September 2001 and March 2004. 2005
- Genzyme Biosurgery Scholarship**; Arthroscopy Association of North America; **Sekiya JK**, Wickwire A, Stehle J, Debski RE: Biomechanical analysis of Hill-Sachs lesions in a joint compression model: Injury and repair using osteoarticular allograft transplantation; Recipient – Eric Kropf, MD 2006
- Herodicus Award for Excellence in Resident Sports Medicine Research**, American Orthopaedic Society for Sports Medicine; Zehms CT, Whiddon DR, Miller MD, Quinby JS, Montgomery SC, **Sekiya JK**: Comparison of a double bundle arthroscopic inlay and open inlay PCL reconstruction using clinically relevant tools 2006
- Best Resident Oral Presentation, Clinical Investigation Department's Research Competition**, Naval Medical Center Portsmouth; Petilon J, Zehms CT, Langford M, **Sekiya JK**, Unger DV: Return to active duty following arthroscopic ACL reconstruction in a military population, Portsmouth, Virginia 4/2008
- Best Basic Science Award, Virginia Orthopaedic Society**, Caldwell PE III, Singanamala N, Ranawat AS, Treme G, Miller MD, **Sekiya JK**, Pearson SE, Costic RS, Golish SR: A biomechanical evaluation of two fixation techniques for proximal biceps tenodesis. 5/2008
- 3<sup>rd</sup> Place, Navy-wide Academic Research Competition**, United States Navy Petilon J, Zehms CT, Langford M, **Sekiya JK**, Unger DV: Return to active duty following arthroscopic ACL reconstruction in a military population 5/2008

## MEMBERSHIPS in PROFESSIONAL SOCIETIES

Organization	Category	Year
Arthroscopy Association of North America	Candidate Member	2000-2002
	Associate Member	2002-2005
	Active Member	2005-Present
American Academy of Orthopaedic Surgeons	Candidate Member	2001-2005
	Active Fellow	2005-Present
University of Michigan Orthopaedic Society	Active Member	2000-Present
American Orthopaedic Society for Sports Medicine	Candidate Member	2002-2005
	Active Member	2005-Present
Pittsburgh Orthopaedic Alumni Association	Active Member	2002-Present
Virginia Orthopaedic Society	Active Member	2003-2005
Society of Military Orthopaedic Surgeons	Active Member	2003-Present
Orthopaedic Research Society	Active Member	2005-Present
International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine	Active Member	2005-Present
AOSSM/ESSKA Magellan Society	Active Member	2006-Present
International PCL Study Group	Active Member	2006-Present
American Shoulder and Elbow Surgeons	Associate Member	2006-Present
Multicenter Arthroscopy of the Hip Outcome Research Network (International Hip Arthroscopy Study Group)	Active Member	2006-Present
Michigan Orthopaedic Society	Active Member	2008-Present

## EDITORIAL POSITIONS, BOARDS and PEER-REVIEW SERVICE

### EDITORIAL POSITIONS

1. **Sekiya JK**, Provencher MT (Guest Editors): Management of Sports Medicine Injuries in the Military: Part I. *Op Tech Sports Med.* Philadelphia: Elsevier, Volume 13, Issue 3, July 2005
2. **Sekiya JK**, Provencher MT (Guest Editors): Management of Sports Medicine Injuries in the Military: Part II. *Op Tech Sports Med.* Philadelphia: Elsevier, Volume 13, Issue 4, October 2005

### BOARDS

## TEACHING

### INTRAMURAL LECTURES/PRESENTATIONS (\*Denotes Presenter)

1. **Sekiya JK\***: Elbow Dislocations. Hand Conference, Section of Orthopaedic Surgery, University of Michigan Medical Center, Ann Arbor, Michigan, February 1999
2. **Sekiya JK\***: Acute Knee Dislocations. Core Curriculum, Section of Orthopaedic Surgery, University of Michigan Medical Center, Ann Arbor, Michigan, July 1999
3. **Sekiya JK\***: Basic Science of the Anterior Cruciate Ligament and Anterior Cruciate Ligament Grafts. Core Curriculum, Section of Orthopaedic Surgery, University of Michigan Medical Center, Ann Arbor, Michigan, March 2000
4. **Sekiya JK\***: Orthopaedic Pharmacology. Core Curriculum, Section of Orthopaedic Surgery, University of Michigan Medical Center, Ann Arbor, Michigan, September 2000
5. **Sekiya JK\***, Jacobson JA, Wojtys EM: Sonographic Imaging of the Posterolateral Structures of the Knee: Findings in Human Cadavers. Senior Thesis, Section of Orthopaedic Surgery, University of Michigan Medical Center, Ann Arbor, Michigan, June 2001
6. **Sekiya JK\***, Bradley JP: Partial Articular Supraspinatus Tendon Avulsion (PASTA) Lesions and Internal Impingement of the Shoulder in a Throwing Athlete. Sports Medicine Case Conference, Center for Sports Medicine, Department of Orthopaedic Surgery, University of Pittsburgh Medical Center, Pittsburgh, Pennsylvania, September 2001
7. **Sekiya JK\***, Bradley JP: Arthroscopic Capsular Plication for Posterior Shoulder Instability in a Contact Athlete. Sports Medicine Case Conference, Center for Sports Medicine, Department of Orthopaedic Surgery, University of Pittsburgh Medical Center, Pittsburgh, Pennsylvania, October 2001
8. **Sekiya JK\*** Bradley JP: Combined Arthroscopic Anterior Capsular Plication and Thermal Capsulorrhaphy for Anterior Shoulder Instability. Sports Medicine Case Conference, Center for Sports Medicine, Department of Orthopaedic Surgery, University of Pittsburgh Medical Center, Pittsburgh, Pennsylvania, October 2001
9. **Sekiya JK\***, Harner CD: Combined Posterior Cruciate Ligament and Posterolateral Corner Knee Injury. Sports Medicine Case Conference, Center for Sports Medicine, Department of Orthopaedic Surgery, University of Pittsburgh Medical Center, Pittsburgh, Pennsylvania, January 2002
10. **Sekiya JK\***, Harner CD: Current Concepts in Posterior Cruciate Ligament Reconstruction. Seminars in Sports Medicine Class, Graduate Studies, University of Pittsburgh, Pittsburgh, Pennsylvania, January 2002
11. **Sekiya JK\***, Harner CD: Lateral Meniscal Allograft Transplantation and Osteochondral Allograft Transfer to the Lateral Femoral Condyle. Sports Medicine Case Conference, Center for Sports Medicine, Department of Orthopaedic Surgery, University of Pittsburgh Medical Center, Pittsburgh, Pennsylvania, April 2002
12. **Sekiya JK\***, Rodosky MW: Subscapularis Avulsion Fractures of the Lesser Tuberosity. Sports Medicine Case Conference, Center for Sports Medicine, Department of Orthopaedic Surgery, University of Pittsburgh Medical Center, Pittsburgh, Pennsylvania, June 2002
13. **Sekiya JK\***: Anterior shoulder instability: Diagnosis and management. Bone and Joint/Sports Medicine Institute, Department of Orthopaedic Surgery, Naval Medical Center Portsmouth, Portsmouth, Virginia, October 2002
14. **Sekiya JK\***, Haemmerle MJ, Stabile KJ, Vogrin TM, Harner CD: Biomechanical analysis

- of combined double bundle posterior cruciate ligament and posterolateral corner knee reconstruction. Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2003
15. Stewart JD, Hulse D, Athanasiou KA, **Sekiya JK\***: The effects of orally administered glucosamine and chondroitin sulfate on articular cartilage in a canine osteoarthritis model. Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2003
  16. **Sekiya JK**, Peterson S\*, Call MH, Unger D: Injuries of naval special warfare sea, air, and land (SEAL) personnel: Epidemiology and surgical management of this "new" elite athlete. Annual Resident Research Day, Bone and Joint/Sports Medicine Institute, Naval Medical Center Portsmouth, Portsmouth, Virginia, June 2003
  17. Kazel M\*, **Sekiya JK**, Greene J: Percutaneous humeroplasty of humeral head defects (Hill-Sachs lesions) associated with anterior shoulder dislocation: A cadaveric study. Annual Resident Research Day, Bone and Joint/Sports Medicine Institute, Naval Medical Center Portsmouth, Portsmouth, Virginia, June 2003
  18. Curran T\*, Bonner K, **Sekiya JK**: Does drilling toward the fibula minimize neurovascular risk? An in vitro study of tibial fixation using a biocortical screw and washer. Annual Resident Research Day, Bone and Joint/Sports Medicine Institute, Naval Medical Center Portsmouth, Portsmouth, Virginia, June 2003
  19. **Sekiya JK\***: Shoulder Instability. Orthopaedic Review for Surface Warfare Medical Officers, Bone & Joint/Sports Medicine Institute, Department of Orthopaedic Surgery, Naval Medical Center Portsmouth, Portsmouth, Virginia, July 2003
  20. **Sekiya JK\***: Management of posterior cruciate ligament injuries. Bone and Joint/Sports Medicine Institute, Department of Orthopaedic Surgery, Naval Medical Center Portsmouth, Portsmouth, Virginia, February 2004
  21. **Sekiya JK\***: Meniscal allograft transplantation: Indications, technique, and outcome. Bone and Joint/Sports Medicine Institute, Department of Orthopaedic Surgery, Naval Medical Center Portsmouth, Portsmouth, Virginia, February 2004
  22. **Sekiya JK\***: Management of multi-ligament knee injuries. Educational lectures series, LifeNet, Virginia Beach, Virginia, March 2004
  23. Peterson S\*, **Sekiya JK**, Call MH, Unger D: Injuries of naval special warfare sea, air, and land (SEAL) personnel: Epidemiology and surgical management of this "new" elite athlete. Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, April 2004
  24. **Sekiya JK\***: Double bundle posterior cruciate ligament reconstruction. Naval Medical Center Portsmouth's Visiting Professor Lectureship - Dr. Greg Fanelli, Portsmouth, September 2004
  25. **Sekiya JK\***: Humeral head defects associated with anterior shoulder instability. Bone and Joint/Sports Medicine Institute, Department of Orthopaedic Surgery, Naval Medical Center Portsmouth, Portsmouth, Virginia, January 2005
  26. **Sekiya JK\***, Willobee JA, Miller MD, Holloway AS: Arthroscopic multi-pleated capsular plication compared with open inferior capsular shift for multi-directional instability. Department of Orthopaedic Surgery, Naval Medical Center Portsmouth, Portsmouth, Virginia, January 2005
  27. **Sekiya JK\***: Complex issues in shoulder instability surgery. Monthly conference for athletic trainers, University of Pittsburgh Medical Center, Pittsburgh, PA, February 2006

28. **Sekiya JK\***: Advances in Hip Surgery, Seminars in Sports Medicine, Graduate Studies in Sports Medicine, Department of Sports Medicine and Nutrition, School of Health and Rehabilitation Sciences, University of Pittsburgh, March 2006
29. **Sekiya JK\***. Bony Defects and Shoulder Instability. Educational Program, Center for Sports Medicine's Fellowship Reunion, University of Pittsburgh Medical Center, Pittsburgh, July 2006
30. **Sekiya JK\***: Advanced techniques in hip arthroscopy, Course: The hip joint: Current concepts in examination, physical therapy, and surgical treatment options. School of Health and Rehabilitation Sciences, Department of Physical Therapy, University of Pittsburgh, October 2006
31. **Sekiya JK\***: Clinical problems in orthopaedic sports medicine. Biomedical Engineering Graduate Innovative Design Team Course, BME 599, University of Michigan, Ann Arbor, Michigan, September 2007
32. **Sekiya JK\***: Hip arthroscopy. Resident/Fellow Educational Lecture Series, Division of Sports Medicine, University of Michigan, Ann Arbor, Michigan, October 2007
33. **Sekiya JK\***: Hip arthroscopy: Indications and techniques. 46<sup>nd</sup> Annual Meeting, Carl E. Badgley Day, University of Michigan, Department of Orthopaedic Surgery, Ann Arbor, Michigan, October 2007
34. Purdue A\*, **Sekiya JK**, Goulet J: Scapular fractures. Grand Rounds, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, December 2007
35. Kohen R\*, **Sekiya JK**, Wojtys EM: PCL Injuries. Grand Rounds, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, December 2007
36. **Sekiya JK\***, Jacobson JA\*, Gibbs AE: Knee MRI/Arthroscopic/Clinical Correlates. Radiology Case Conference, University of Michigan, Ann Arbor, Michigan, January 2008
37. **Sekiya JK\***, Gibbs AE. Bony Defects and Shoulder Instability. Resident Conference, Department of Radiology, University of Michigan, Ann Arbor, MI, February 2008
38. Chu BI\*, **Sekiya JK**, Wojtys EM: Meniscus Repair. Grand Rounds, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, March 2008

41. Salata MJ\*, Gibbs AE, **Sekiya JK**: Prophylactic knee bracing in football players for MCL injury prevention. Grand Rounds, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, May 2008
42. **Sekiya JK\***: Arthroscopic management of femoroacetabular impingement. Larry S. Matthews Adult Reconstruction Lectureship, University of Michigan Department of Orthopaedic Surgery, Ann Arbor, Michigan, May 2008
43. **Sekiya JK\***: Physical examination of the knee. Sports Medicine Core Curriculum, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, July 2008
44. Bowman K\*, **Sekiya JK**: Sports hernia. Grand Rounds, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, July 2008
45. Dahl W\*, **Sekiya JK**: Quadriceps tendon ruptures. Grand Rounds, Department of

- Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, July 2008
46. **Sekiya JK\***: Complex issues in shoulder instability. Grand Rounds, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, July 2008
  47. **Sekiya JK\***: Shoulder instability. Extended Resident Sports Medicine Core Curriculum, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, July 2008
  48. **Sekiya JK\***, Panchal H: Management of knee dislocations. Resident Sports Medicine Core Curriculum, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, August 2008
  49. Salata MJ\*, **Sekiya JK**: PCL reconstruction. Grand Rounds, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, July 2008
  50. **Sekiya JK\***, Panchal H: Controversial issues in PCL surgery. 47<sup>th</sup> Annual Meeting, Carl E. Badgley Day, University of Michigan, Department of Orthopaedic Surgery, Ann Arbor, Michigan, September 2008
  51. **Sekiya JK\***, Panchal H: Hip arthroscopy. Resident Sports Medicine Core Curriculum, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, January 2009
  52. Salata MJ\*, Gibbs AE, **Sekiya JK**: Systematic review of the post-meniscectomized knee. Case conference, Department of Orthopaedic Surgery, University of Michigan, Ann Arbor, Michigan, January 2009
  53. **Sekiya JK\***: Highlights of ongoing research projects. ORL research retreat, Musculoskeletal Research Group, University of Michigan, Ann Arbor, Michigan, January 2009

#### DIDACTIC COURSES

American Orthopaedic Society for Sports Medicine Comprehensive Surgery for the Athlete's Shoulder Surgical Skills Course	2001	Lab Instructor
Arthroscopic Knot Tying Course, Center for Sports Medicine, University of Pittsburgh Medical Center	2002	Instructor
Advances in Shoulder Arthroscopic Surgery Rosemont, Illinois (Arthrotek)	2003	Faculty Instructor
Surgical Treatment Options for Knee Injuries and Disorders, Rosemont, Illinois, American Academy of Orthopaedic Surgeons	2004	Faculty Member
Arthroscopic Knot Tying Bioskills Tutorial, Bone & Joint/Sports Medicine Institute, Naval Medical Center Portsmouth	2004	Instructor
ACL Cadaveric Knee Course, Johns Hopkins Bayview Medical Center (Arthrotek)	2004	Instructor
Advances in Shoulder and Knee Arthroscopic Surgery, Rosemont, Illinois (Arthrotek)	2004	Faculty Instructor
AANA Fall Course Knee Laboratory	2004	Faculty Instructor
Advances in Shoulder and Knee Arthroscopic Surgery, Rosemont, Illinois (Arthrotek)	2005	Faculty Instructor
Surgical Treatment Methods for Complex Knee Injuries and Disorders, Rosemont, IL, American	2005	Faculty

Academy of Orthopaedic Surgeons		
Arthrex Shoulder and Knee Surgical Skills Course	2005	Faculty
AANA Fall Course Knee Laboratory	2005	Faculty Instructor
AOSSM How to Build A Successful Sports Practice Workshop	2006	Faculty
Advanced Team Physician Course, Co-Sponsored by American Medical Society for Sports Medicine, American College of Sports Medicine, and AOSSM	12/06	Faculty
AAOS Instructional Course Lecture, "PCL: Surgical Treatment, Combined Instabilities"	2/07	Faculty
AANA New Horizons: Advances in Knee Surgery - Ligament Focus	5/07	Master Instructor
AANA Fall Course Hip Laboratory	11/07	Faculty Instructor
Advanced Team Physician Course, Co-Sponsored by AOSSM, American Medical Society for Sports Medicine, and American College of Sports Medicine	12/07	Faculty
AAOS Instructional Course Lecture, "PCL: Surgical Treatment, Combined Instabilities"	3/08	Faculty
AANA Knee Ligament Course	3/08	Associate Master Instructor
AAOS Knee Injuries in Athletes: Getting Patients Back In the Game	4/08	Faculty
Current Concepts in Shoulder Arthroscopy Cadaver Lab, University of Michigan and DePuy Mitek	4/08	Faculty Instructor
Knee Anatomy Dissection with Lisa Tibor, MD, University of Michigan, Department of Orthopaedic Surgery	6/08	Faculty Mentor/ Instructor
Arthrex Eastern Faculty Symposium, Naples, Florida	7/08	Faculty
Shoulder Extended Resident Sports Medicine Core Curriculum, University of Michigan, Department of Orthopaedic Surgery	7/08	Instructor
AANA Fall Course Hip Laboratory	11/08	Faculty Instructor
Advanced Team Physician Course, Co-Sponsored by AOSSM, American Medical Society for Sports Medicine, and American College of Sports Medicine	12/08	Faculty (Anticipated)
Vail Arthroscopy Symposium	2/09	Faculty
<b>CURRICULUM DEVELOPMENT</b>		
AOSSM's Orthopaedic Sports Medicine Board Review Self-Assessment Subcommittee	2004-2005	Member
ABOS Field Test Task Force for the Subspecialty Certification Examination in Sports Medicine	2006	Member
Pennsylvania Orthopaedic Society, Annual Spring Meeting, Key Largo, Florida	5/08	Program Chairman
AOSSM 2010 Surgical Skills Course - Knee	8/10	Course Co-Chair (Anticipated)

## OTHER RELEVANT TEACHING ACTIVITIES

AOSSM Annual Meeting Program – Session on Osteotomies and New Modalities in Knee Injuries	7/06	Co-Moderator
Advanced Team Physician Course-AMSSM, ACSM, AOSSM for sessions Hand/Wrist, Team Physician Issues Part II, Knee II, and Hip/Groin	12/06	Moderator
AOSSM Specialty Day at the American Academy of Orthopaedic Surgeons – Session on Posterior Cruciate Ligament Injuries	2/07	Co-Moderator
Advanced Team Physician Course-AOSSM, ACSM, AMSSM for sessions The Athlete’s Knee, The Athlete’s Foot and Ankle	12/07	Moderator
AOSSM Annual Meeting Program – Scientific Session on The Athlete’s Hip	7/08	Co-Moderator
Surgical Cadaveric Demonstration, Arthroscopic PCL Inlay, Arthrex Eastern Faculty Symposium, Naples, FL	7/08	Faculty
Complex Cases in Shoulder Instability, Case Conference, Department of Orthopaedic Surgery, University of Rochester, New York	9/08	Visiting Professor
Complex Cases in Shoulder Instability, Case Conference, Department of Orthopaedic Surgery, University of Utah Salt Lake City	11/11/08	Visiting Professor
Advanced Team Physician Course – ACSM, AMSSM, AOSSM for sessions Musculoskeletal Trauma: Shoulder Trauma; Meniscus Injuries: What Would You Do?; Why My ACL Graft Choice is Best	12/08	Moderator

## COMMITTEE, ORGANIZATIONAL, and VOLUNTEER SERVICE

### INSTITUTIONAL

Scientific Review Committee, Naval Medical Center Portsmouth	2004-2005	Member
University of Pittsburgh’s Department of Orthopaedic Surgery Scientific Review Committee	2005-6/07	Member

### NATIONAL

AOSSM’s Program Committee – Lower Extremity	2005-2008	Member
AOSSM’s Planning Committee for Multi-Center Study of Viscosupplementation for Knee Osteoarthritis	2005-	Member
AOSSM’s Advance Team Physician’s Course Planning Committee	2005-	Member
AANA’s Technology Committee	2006-2007	Member
AOSSM’s Education Committee	7/07-	Member
AOSSM’s Council of Delegates	8/09-7/12 (anticipated)	Representative

## ATHLETIC TEAM COVERAGE

Varsity Athletic Teams, University of Michigan NCAA Big Ten Wrestling Championships	1999-2001 2000	Resident Physician Orthopaedic Physician on site
National Football League's Pittsburgh Steelers	2001	Fellow (JP Bradley, Head Physician)
Hoops Classic Men's Intercollegiate Basketball Tournament, Robert Morris College	2001	Orthopaedic Physician on site
Women's Varsity Basketball, Univ. of Pittsburgh	2001-2002	Fellow
Varsity Athletic Teams, University of Pittsburgh	2001-2002	Fellow
City of Pittsburgh Marathon	2002	Physician on site
Naval Special Warfare Development Group	2002-2005	SEAL Head Team Physician and Orthopaedic Surgeon
Naval Special Warfare Group II	2003-2004	SEAL Consultant Orthopaedic Surgeon
Seton Hill University Athletic Department	2005-2007	Head Team Physician
University of Pittsburgh Wrestling Team	2006-2007	Assistant Team Physician
Duquesne University Wrestling Team	2006-2007	Assistant Team Physician
University of Pittsburgh Football Team	2006-2007	Assistant Team Physician
Washington Wild Things Semi-Professional Baseball Team	2006-2007	Team Physician
University of Michigan Athletic Department	2007-Present	Team Physician
Eastern Michigan University Athletic Department	2007-Present	Team Physician

## CONSULTING POSITIONS

Arthrex, Inc, Naples, Florida	8/07-Present	Consultant, Royalties
OrthoDynamix, LLC, Jacksonville, Florida	11/07-Present	Consultant, Royalties

## VISITING PROFESSORSHIPS, SEMINARS, and EXTRAMURAL INVITED PRESENTATIONS (\* Denotes Presenter)

1. **Sekiya JK**, Ruch DS\*, Hunter DM, Pope TL, Koman LA, Poehling GG, Russell GB: The role of arthroscopy in the diagnosis and staging of osteonecrosis. Twelfth International Symposium of the American Orthopaedic Association, Durham, North Carolina, November 1996
2. **Sekiya JK\***, Wojtys EW, Loder RT, Hensinger RN: Hip arthroscopy using a limited anterior exposure. Thirty-First Annual Residents' Conference of the American Orthopaedic Association, Sacramento, California, February 1998

3. Tun S\*, Jebson PJJ, Goldstein SA, **Sekiya JK**: A comparative study of mini-external fixators for treatment of metacarpal fractures. Sixty-fifth Annual Meeting of the American Academy of Orthopaedic Surgeons, New Orleans, Louisiana, March 1998
4. **Sekiya JK\***, Wojtys EW, Loder RT, Hensinger RN: Hip arthroscopy using a limited anterior exposure. Annual Meeting of the Arthroscopy Association of North America, Orlando, Florida, April 1998
5. **Sekiya JK\***, Evensen KE, Jebson PJJ, Kuhn JE: The effect of knee and ankle position on displacement of achilles tendon ruptures in a cadaveric model: Implications for non-operative management. Annual Meeting of the Michigan Orthopaedic Society, Mackinac Island, Michigan, June 1998
6. **Sekiya JK\***, Ruch DS, Hunter DM, Pope TL, Koman LA, Poehling GG, Russell GB: The role of arthroscopy in the staging of avascular necrosis of the femoral head. Annual Meeting of the Michigan Orthopaedic Society, Mackinac Island, Michigan, June 1998
7. **Sekiya JK\***, Ruch DS, Hunter DM, Pope TL, Koman LA, Poehling GG, Russell GB: The role of arthroscopy in the staging of avascular necrosis of the femoral head. Annual Meeting of the Clinical Orthopaedic Society (Residents' Paper Award Winner), New Orleans, Louisiana, September 1998
8. **Sekiya JK\***, Evensen KE, Jebson PJJ, Kuhn JE: The effect of knee and ankle position on displacement of achilles tendon ruptures in a cadaveric model: Implications for non-operative management. American Orthopaedic Association 32<sup>nd</sup> Annual Residents' Conference Meeting, Chapel Hill, North Carolina, March 1999
9. **Sekiya JK\***, Ruch DS, Hunter DM, Pope TL, Koman LA, Poehling GG, Russell GB: The role of hip arthroscopy in the staging of avascular necrosis of the femoral head. Eighteenth Annual Meeting of the Arthroscopy Association of North America (Resident/Fellow Clinical Essay Award Winner), Vancouver, British Columbia, April 1999
10. **Sekiya JK\***, Golladay GJ, Wojtys EM: Autodigestion of a hamstring anterior cruciate ligament autograft following thermal shrinkage: A case report and sentinel of concern. Annual meeting of the Michigan Orthopaedic Society, Mackinac Island, Michigan, June 2000
11. **Sekiya JK\***, Jacobson JA, Wojtys EM: Sonographic imaging of the posterolateral structures of the knee: Findings in human cadavers. Annual meeting of the Michigan Orthopaedic Society, Tranverse City, Michigan, June 2001
12. Bradley JP\*, **Sekiya JK**: Partial Articular Supraspinatus Tendon Avulsions (PASTA) Lesions of the Rotator Cuff: Arthroscopic Treatment. American Orthopaedic Society for Sports Medicine Surgical Skills Course: Comprehensive Surgery for the Athlete's Shoulder, Rosemont, Illinois, September 2001
13. Bradley JP\*, **Sekiya JK**: Partial Articular Supraspinatus Tendon Avulsions (PASTA) Lesions of the Rotator Cuff: Arthroscopic Treatment. Arthrex Shoulder Course, Naples, Florida, September 2001
14. **Sekiya JK\***, Jacobson JA, Wojtys EM: Sonographic imaging and diagnosis of posterolateral knee injuries. University of Michigan Department of Orthopaedic Surgery's Annual Badgley Day, Ann Arbor, Michigan, October 2001
15. Bradley JP\*, **Sekiya JK**: Complications of ACL Surgery. Pennsylvania Orthopaedic Society 2001 Fall Scientific Annual Meeting, Pittsburgh, PA, November 2001
16. Bradley JP\*, **Sekiya JK**: Role of Thermal Tissue Modification in the Throwing Athlete. Annual Fall Meeting of the Arthroscopy Association of North America, San Antonio, Texas,

November 2001

17. Bradley JP\*, **Sekiya JK**: Complications in ACL Surgery. 12<sup>th</sup> Annual Winter Total Joint and Sports Medicine Symposium, Vail, Colorado, January 2002
18. Bradley JP\*, **Sekiya JK**: Thermal Capsular Shrinkage for Shoulder Instability: Surgical Technique. Instructional Course Lecture, Annual Meeting of the American Academy of Orthopaedic Surgeons, Dallas, Texas, February 2002
19. Bradley JP\*, **Sekiya JK**: Role of Thermal Surgery in the Throwing Athlete. Arthroscopy Association of North America's Specialty Day, Annual Meeting of the American Academy of Orthopaedic Surgeons, Dallas, Texas, February 2002
20. Bradley JP\*, **Sekiya JK**: Complications of Thermal Energy. American Orthopaedic Society for Sports Medicine's Specialty Day, Annual Meeting of the American Academy of Orthopaedic Surgeons, Dallas, Texas, February 2002
21. Giffin RJ, **Sekiya JK\***, Francis KA, Irrgang FH, Fu FH, Harner CD: Clinical outcomes following combined meniscal allograft transplantation and ACL reconstruction. American Orthopaedic Society for Sports Medicine, Specialty Day at the annual meeting of the American Academy of Orthopaedic Surgeons, Dallas, February 2002
22. Bradley JP, **Sekiya JK\***: Indications and treatment of partial thickness rotator cuff tears. Pennsylvania Orthopaedic Society's Annual Spring Meeting, Puerto Rico, April 2002
23. **Sekiya JK**, Francis KA, Giffin JR, Vogrin TM, Irrgang JJ, Fu FH, Harner CD\*: Outcomes following combined meniscal allograft transplantation and anterior cruciate ligament reconstruction. 2nd Meeting of the European Meniscal Transplantation Group, at the 10<sup>th</sup> Congress European Society of Sports Traumatology, Knee Surgery and Arthroscopy, Rome, Italy, April 2002
24. Graf KW, **Sekiya JK\***, Wojtys EM: Long-term results following combined medial meniscal allograft transplantation and ACL reconstruction: Minimum eight and one-half year follow-up. Annual Meeting of the Arthroscopy Association of North America, Washington, D.C., April 2002
25. **Sekiya JK\***, Francis KA, Giffin RJ, Irrgang FH, Fu FH, Harner CD: Clinical outcomes following combined meniscal allograft transplantation and ACL reconstruction. Pennsylvania Orthopaedic Society's Annual Spring Meeting, Puerto Rico, April 2002
26. Bradley JP\*, **Sekiya JK**: Complications in ACL Surgery. 21<sup>st</sup> Annual Cherry Blossom Seminar, Washington, DC, April 2002
27. Bradley JP\*, **Sekiya JK**: Recent Advances in the Evaluation and Treatment of Shoulder Instability: Anterior, Posterior, and Multidirectional. Instructional Course Lecture #101, 21<sup>st</sup> Annual Meeting of the Arthroscopy Association of North America, Washington, DC, April 2002
28. **Sekiya JK\***, Giffin RJ, Francis KA, Irrgang FH, Fu FH, Harner CD: Combined meniscal allograft transplantation and ACL reconstruction: The Pittsburgh Experience. Cryolife Sports Medicine Fellows Course, Atlanta, Georgia, May 2002
29. **Sekiya JK\***, West R, Ong BC, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following arthroscopic single-bundle PCL reconstruction. Annual Meeting of the Arthroscopy Association of North America, Phoenix, April 2003
30. Elkousy HA\*, **Sekiya JK**, Stabile KJ, McMahon PJ: A biomechanical comparison of arthroscopic sliding and sliding-locking knots: An analysis of knot security and strength. Annual Meeting of the Arthroscopy Association of North America, Phoenix, April 2003
31. Stewart JD\*, Hulse D, Athanasiou KA, **Sekiya JK**: The effects of orally administered

- glucosamine and chondroitin sulfate on articular cartilage in a canine osteoarthritis model. 18<sup>th</sup> Annual Navy-Wide Clinical Investigation Program Academic Research Competition, Bethesda, Maryland, May 2003
32. **Sekiya JK\***, Ong BC, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following arthroscopic single bundle posterior cruciate ligament reconstruction. Annual Meeting of the Virginia Orthopaedic Society, Williamsburg, Virginia, May 2003
  33. **Sekiya JK\***, Haemmerle MJ, Stabile KJ, Vogrin TM, Harner CD: Biomechanical analysis of combined double bundle posterior cruciate ligament and posterolateral corner knee reconstruction. Annual Meeting of the Virginia Orthopaedic Society, Williamsburg, Virginia, May 2003
  34. **Sekiya JK\***, Groff Y, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following isolated lateral meniscal allograft transplantation. Annual Meeting of the Virginia Orthopaedic Society, Williamsburg, Virginia, May 2003
  35. **Sekiya JK\***, Giffin R, Irrgang JJ, Fu FH, Harner CD: Clinical outcome of combined meniscal allograft transplantation and ACL reconstruction. Annual Meeting of the Virginia Orthopaedic Society, Williamsburg, Virginia, May 2003
  36. Graf K, **Sekiya JK\***, Wojtys EM: Long-term results following combined medial meniscal allograft transplantation and ACL reconstruction: Minimum eight and one-half year follow-up. Annual Meeting of the Virginia Orthopaedic Society, Williamsburg, Virginia, May 2003
  37. Stewart JD\*, Hulse D, Athanasiou KA, **Sekiya JK**: The effects of orally administered glucosamine and chondroitin sulfate on articular cartilage in a canine osteoarthritis model. Annual Meeting of the Virginia Orthopaedic Society, Williamsburg, Virginia, May 2003
  38. **Sekiya JK\***, Haemmerle MJ, Stabile KJ, Vogrin TM, Harner CD: Biomechanical analysis of combined double bundle posterior cruciate ligament and posterolateral corner knee reconstruction. Annual Meeting of the American Orthopaedic Society for Sports Medicine, San Diego, July 2003
  39. **Sekiya JK\***, Peterson S, Call MH, Unger D: Injuries of naval special warfare sea, air, and land (SEAL) personnel: Epidemiology and surgical management of this "new" elite athlete. 42<sup>nd</sup> Annual Meeting, Carl E. Badgley Day, University of Michigan, Department of Orthopaedic Surgery, Ann Arbor, Michigan, September 2003
  40. **Sekiya JK\***, Haemmerle MJ, Stabile KJ, Vogrin TM, Harner CD: Biomechanical analysis of combined double bundle posterior cruciate ligament and posterolateral corner knee reconstruction. 42<sup>nd</sup> Annual Meeting, Carl E. Badgley Day, University of Michigan, Department of Orthopaedic Surgery, Ann Arbor, Michigan, September 2003
  41. Kazel M, **Sekiya JK\***, Greene J: Percutaneous humeroplasty of humeral head defects (Hill-Sachs lesion) associated with anterior shoulder instability: A cadaveric study. 45<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Honolulu, Hawaii, December 2003
  42. **Sekiya JK\***, Haemmerle MJ, Stabile KJ, Vogrin TM, Harner CD: Biomechanical analysis of combined double bundle posterior cruciate ligament and posterolateral corner knee reconstruction. 45<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Honolulu, Hawaii, December 2003
  43. **Sekiya JK\***, Groff Y, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following isolated lateral meniscal allograft transplantation. 45<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Honolulu, Hawaii, December 2003
  44. Graf K, **Sekiya JK\***, Wojtys EM: Long-term results following combined medial meniscal allograft transplantation and ACL reconstruction: Minimum eight and one-half year follow-

- up. 45<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Honolulu, Hawaii, December 2003
45. Kazel M, **Sekiya JK\***, Greene J: Percutaneous humeroplasty of humeral head defects (Hill-Sachs lesion) associated with anterior shoulder instability: A cadaveric study. Arthroscopy Association of North America, annual meeting, Orlando, April 2004
  46. **Sekiya JK\***, Groff Y, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following isolated lateral meniscal allograft transplantation. 2004 Meniscus Transplantation Study Group Meeting at the Annual Meeting of the American Academy of Orthopaedic Surgeons, San Francisco, March 2004
  47. Graf K, **Sekiya JK\***, Wojtys EM: Long-term results following combined medial meniscal allograft transplantation and ACL reconstruction: Minimum eight and one-half year follow-up. 2004 Meniscus Transplantation Study Group Meeting at the Annual Meeting of the American Academy of Orthopaedic Surgeons, San Francisco, March 2004
  48. Kazel MD, **Sekiya JK\***, Greene JA: Percutaneous humeroplasty of posterolateral humeral head defects (Hill-Sachs) associated with anterior shoulder dislocation: A cadaveric study. Virginia Orthopaedic Society, Norfolk, Virginia, May 2004
  49. Curran TA, Bonner KF\*, **Sekiya JK**: Does drilling toward the fibula minimize neurovascular risk? An in vitro study of tibial fixation using a bicortical screw and washer. Virginia Orthopaedic Society, Norfolk, Virginia, May 2004
  50. Peterson SN\*, **Sekiya JK**, Call MH, Unger DV: Injuries in naval special warfare sea, air, and land (SEAL) personnel: Epidemiology and surgical management of this new “elite” athlete. Virginia Orthopaedic Society, Norfolk, Virginia, May 2004
  51. **Sekiya JK\***: Meniscal allograft transplantation: Basic science, indications, techniques, and outcomes. Grand Rounds, Department of Orthopaedic Surgery, Vanderbilt University Medical Center, Nashville, TN, June 2004
  52. Peterson SN\*, **Sekiya JK**, Call MH, Woods D, Unger DV: Injuries in naval special warfare sea, air, and land (SEAL) personnel: Epidemiology and surgical management of this new “elite” athlete. International Congress on Military Medicine, Washington, DC, September 2004
  53. **Sekiya JK\***: Humeral head defects associated with anterior shoulder instability. Center for Sports Medicine, Grand Rounds, University of Pittsburgh Medical Center, Pittsburgh, September 2004
  54. **Sekiya JK\***: Humeral head defects associated with anterior shoulder instability. 43<sup>rd</sup> Annual Meeting, Carl E. Badgley Day combined with the Shoulder Group Meeting, University of Michigan, Department of Orthopaedic Surgery, Ann Arbor, Michigan, October 2004
  55. **Sekiya JK\***: Meniscus transplantation: Current concepts and future directions. Biomet Corporate Office, Warsaw, Indiana, October 2004
  56. **Sekiya JK\***: Inlay double bundle PCL reconstruction. Advances in Shoulder and Knee Arthroscopic Surgery, Biomet/Arthrotek, AAOS Orthopaedic Learning Center, Rosemont, Illinois, October 2004
  57. **Sekiya JK\***: Meniscus transplantation: Current concepts and future directions. Grand Rounds, Department of Orthopaedic Surgery, The Cleveland Clinic, Cleveland, OH, November 2004
  58. **Sekiya JK\***, Willobee JA, Miller MD, Holloway AS: Arthroscopic multi-pleated capsular plication compared with open inferior capsular shift for multi-directional instability. 46<sup>th</sup>

- Annual Meeting of the Society of Military Orthopaedic Surgeons, Vail, CO, December 2004
59. Campbell RB\*, Hecker AT, Torrie A, **Sekiya JK**: Comparison of graft fixation between an instrumented all-arthroscopic technique and open technique for PCL tibial inlay reconstruction. 46<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Vail, CO, December 2004
  60. **Sekiya JK\***: Meniscus transplantation: Current concepts and future directions. Grand Rounds, Department of Orthopaedic Surgery, University of Pittsburgh Medical Center, Pittsburgh, PA, January 2005
  61. **Sekiya JK\***, Willobee JA, Miller MD, Holloway AS: Arthroscopic multi-pleated capsular plication compared with open inferior capsular shift for multi-directional instability. Arthrex Corporate Headquarters, Naples, Florida, January 2005
  62. **Sekiya JK\***, Wickwire A, Stehle J, Moore S, McMahan P, Debski R: Humeral head defects associated with anterior shoulder instability. Arthrex Corporate Headquarters, Naples, Florida, January 2005
  63. Kazel MD, **Sekiya JK\***, Greene JA: Percutaneous humeroplasty of posterolateral humeral head defects (Hill-Sachs) associated with anterior shoulder dislocation: A cadaveric study. International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine, Hollywood, Florida, April 2005
  64. **Sekiya JK\***, Groff Y, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following isolated lateral meniscal allograft transplantation. International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine, Hollywood, Florida, April 2005
  65. **Sekiya JK\***, West R, Ong BC, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following arthroscopic single-bundle PCL reconstruction. International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine, Hollywood, Florida, April 2005
  66. **Sekiya JK\***: Techniques in complex knee and shoulder surgery. Virginia Commonwealth State Assembly of the Association of Surgical Technologists, Spring Workshop, Sentara School of Health Professions Auditorium, Chesapeake, VA, April 2005
  67. **Sekiya JK**, West RV\*, Groff Y, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following isolated lateral meniscal allograft transplantation. Arthroscopy Association of North America, Vancouver, May 2005
  68. **Sekiya JK\***: ACL fixation: Which one is best? AAOS Comprehensive Knee Course, Rosemont, May 2005
  69. **Sekiya JK\***: My favorite posterolateral corner reconstruction. AAOS Comprehensive Knee Course, Rosemont, May 2005
  70. **Sekiya JK\***, Mauro CS, Haemmerle MJ, Stabile KJ, Harner CD: Biomechanical analysis of the in situ forces in the individual components of PCL and posterolateral corner knee reconstruction. American Orthopaedic Society for Sports Medicine, Keystone, CO, July 2005
  71. Campbell RB\*, Torrie A, Hecker A, **Sekiya JK**: Comparison of graft fixation between an instrumented all-arthroscopic technique and open technique for PCL insertion reconstruction by tibial inlay. American Orthopaedic Society for Sports Medicine, Keystone, CO, July 2005
  72. Wickwire A\*, Stehle J, **Sekiya JK**, McMahan PJ, Debski R: Position of the humeral head shifts in the glenoid due to the presence of osteoarticular lesions. Congress of the International Society of Biomechanics & the Annual Meeting of the American Society of Biomechanics, Cleveland, Ohio, August 2005

73. **Sekiya JK\***: Arthroscopic rotator cuff repair. Arthrex Knee and Shoulder Surgical Skills Course, Naples, Florida, September 2005
74. **Sekiya JK\***: The arthroscopic treatment of shoulder instability. Arthrex Knee and Shoulder Surgical Skills Course, Naples, Florida, September 2005
75. **Sekiya JK\***: ACL reconstruction and meniscus repair. Arthrex Knee and Shoulder Surgical Skills Course, Naples, Florida, September 2005
76. **Sekiya JK\***: High tibial osteotomy and osteoarticular autograft/allograft transplantation. Arthrex Knee and Shoulder Surgical Skills Course, Naples, Florida, September 2005
77. Stehle J, Wickwire A, **Sekiya JK**, McMahon PJ, Debski R\*: Overall effect of soft tissues on glenohumeral kinematics with arm abducted. Annual Meeting of the Biomedical Engineering Society, Baltimore, MD, September 2005
78. **Sekiya JK\***: Meniscus transplantation: Current concepts and future directions. 44<sup>nd</sup> Annual Meeting, Carl E. Badgley Day, University of Michigan, Department of Orthopaedic Surgery, Ann Arbor, Michigan, October 2005
79. **Sekiya JK\***, Stehle J, Wickwire A, Debski R: A biomechanical analysis of humeral head lesions in the glenohumeral joint, American Academy of Orthopaedic Surgeons, Chicago, IL, March 2006
80. Kurtz CA, Bonner KF, **Sekiya JK\***: Meniscal allograft transplantation using a femoral distractor, Meniscus Transplant Study Group, Chicago, IL, March 2006
81. **Sekiya JK\***, Whiddon DR, Zehms CT, Miller MD: Posterior Cruciate Ligament and Posterolateral Corner Knee Injuries: Evaluation with Stress Radiography and Physical Examination, American Orthopaedic Society for Sports Medicine, Specialty Day, Chicago, IL, March 2006
82. **Sekiya JK\***. Meniscal allograft transplantation. Ulleval University Hospital Grand Rounds, AOSSM/ESSKA Traveling Fellowship, Oslo, Norway, May 2006
83. **Sekiya JK\***. Meniscal allograft transplantation. Ulleval University Hospital Scientific Session, AOSSM/ESSKA Traveling Fellowship, Oslo, Norway, May 2006
84. **Sekiya JK\***. PCL and posterolateral corner reconstruction. Wellington Knee Unit, AOSSM/ESSKA Traveling Fellowship, London, May 2006
85. **Sekiya JK\***. Arthroscopic shoulder stabilization. Scientific Program, Sint Maartenskliniek, AOSSM/ESSKA Traveling Fellowship, Nijmegen, The Netherlands, May 2006
86. **Sekiya JK\***. PCL and posterolateral corner reconstruction. Scientific Program, AOSSM/ESSKA Traveling Fellowship, Amsterdam, The Netherlands, May 2006
87. **Sekiya JK\***. Bony Defects and Shoulder Instability. Scientific Program, AOSSM/ESSKA Traveling Fellowship, Aalst, Belgium, May 2006
88. **Sekiya JK\***. PCL and posterolateral corner reconstruction. Scientific Program, AOSSM/ESSKA Traveling Fellowship, Lyon, France, May 2006
89. **Sekiya JK\***. PCL and posterolateral corner reconstruction. Scientific Program, AOSSM/ESSKA Traveling Fellowship, Geneva, Switzerland, May 2006
90. **Sekiya JK\***. Bony Defects and Shoulder Instability. Scientific Program, Istituto Ortopedico Galeazzi, AOSSM/ESSKA Traveling Fellowship, Milano, Italy, May 2006
91. **Sekiya JK\***. Meniscal allograft transplantation. Magellan Society Meeting, Scientific Session, AOSSM/ESSKA Traveling Fellowship, Kitzbuhel, Austria, May 2006
92. Zehms CT\*, Whiddon DR, Miller MD, Quinby S, Montgomery S, Campbell LA, **Sekiya JK**: Evaluation of PCL and posterolateral corner injuries: A biomechanical comparison of arthroscopic versus open inlay double bundle PCL reconstruction, European Society of

- Sports Traumatology, Knee Surgery, and Arthroscopy, Innsbruck, Austria, May 2006
93. Zehms CT\*, **Sekiya JK**: Return to active duty following open versus arthroscopic shoulder stabilization in a military population, European Society of Sports Traumatology, Knee Surgery, and Arthroscopy, Innsbruck, Austria, May 2006
  94. **Sekiya JK**, Wickwire A, Stehle J\*, Debski RE: Biomechanical analysis of Hill-Sachs lesions: Injury and repair using osteoarticular allograft transplantation, Arthroscopy Association of North America, Hollywood, FL, May 2006
  95. Whiddon DR, Zehms CT, Miller MD, Quinby JS, Montgomery SC, **Sekiya JK\***: Comparison of double versus single bundle open inlay reconstruction with clinical exam and stress radiography. International PCL Study Group, Monteriggioni, Italy, June 2006
  96. Zehms CT, Whiddon DR, Miller MD, Quinby JS, Montgomery SC, **Sekiya JK\***: Comparison of a double bundle arthroscopic inlay and open inlay PCL reconstruction using clinically relevant tools. International PCL Study Group, Monteriggioni, Italy, June 2006
  97. **Sekiya JK\***: Meniscus transplantation techniques and rehabilitation concerns, National Athletic Trainers Association in joint association with AOSSM exchange program, Atlanta, GA, June 2006
  98. **Sekiya JK\***: How to write an abstract (and get it accepted!). Developing and Maintaining A High Quality Sports Medicine Fellowship, American Orthopaedic Society for Sports Medicine, Hershey, PA, July 2006
  99. Whiddon DR, Zehms CT, Miller MD, Quinby JS, Montgomery SC, **Sekiya JK\***: Comparison of double versus single bundle open inlay reconstruction with clinical exam and stress radiography. American Orthopaedic Society for Sports Medicine, Hershey, PA, July 2006
  100. Zehms CT\*, Whiddon DR, Miller MD, Quinby JS, Montgomery SC, **Sekiya JK**: Comparison of a double bundle arthroscopic inlay and open inlay PCL reconstruction using clinically relevant tools. American Orthopaedic Society for Sports Medicine, Hershey, PA, July 2006
  101. **Sekiya JK\***: Balancing research and clinical practice. How to build a successful sports medicine practice, American Orthopaedic Society for Sports Medicine, Hershey, PA, July 2006
  102. **Sekiya JK\***. PCL and posterolateral corner reconstruction. Grand Rounds, Department of Orthopaedic Surgery, Northwestern University, Chicago, IL, October 2006
  103. **Sekiya JK\***. Hip pathology: Spectrum of injuries and treatments. Musculoskeletal Imaging Symposium, Thomas Jefferson University, Department of Radiology, Philadelphia, PA, October 2006
  104. **Sekiya JK\***. Complex knee repair. Musculoskeletal Imaging Symposium, Thomas Jefferson University, Department of Radiology, Philadelphia, PA, October 2006
  105. **Sekiya JK\***. PCL reconstruction: Tibial inlay technique. Pennsylvania Orthopaedic Society, Fall Meeting, Philadelphia, PA, November 2006

EXHIBITS (\* Denotes Presenter)

1. **Sekiya JK\***, Enarson CE, Reagan H, Kon N: Surgical therapy of coronary artery disease:

- baseline and one-month follow-up. Poster Exhibit, Bowman Gray School of Medicine Medical Student Research Day, annual meeting, Winston-Salem, North Carolina, September 1993
2. Enarson CE\*, **Sekiya JK**, Reagan H, Kon N: Surgical therapy of coronary artery disease: six-month follow-up. Poster Exhibit, Foundation for Health Services Research, annual meeting, San Diego, California, June 1994
  3. **Sekiya JK\***, Satterwhite W, Enarson CE, Reagan H, Kon N: Surgical therapy of coronary artery disease: Six-month and one-year follow-up. Poster Exhibit, Bowman Gray School of Medicine Medical Student Research Day, annual meeting, Winston-Salem, North Carolina, September 1994
  4. Tun S\*, **Sekiya JK**, Jebson PJJ, Goldstein SA: A comparative study of mini-external fixators for treatment of metacarpal fractures. Poster exhibit, American Association for Hand Surgery, annual meeting, Scottsdale, Arizona, January 1998
  5. Tun S, **Sekiya JK\***, Jebson PJJ, Goldstein SA: A comparative study of mini-external fixators for treatment of metacarpal fractures. Poster exhibit, American Orthopaedic Association Residents' conference, annual meeting, Sacramento, California, February 1998
  6. **Sekiya JK\***, Ruch DS, Hunter DM, Pope TL, Koman LA, Poehling GG, Russell GB: The role of hip arthroscopy in the staging of avascular necrosis of the femoral head. Poster Exhibit, American Orthopaedic Association Residents' conference, annual meeting, Sacramento, California, February 1998
  7. Tun S, **Sekiya JK\***, Jebson PJJ, Goldstein SA: A comparative study of mini-external fixators for treatment of metacarpal fractures. Poster Exhibit, American Academy of Orthopaedic Surgeons, annual meeting, New Orleans, Louisiana, March 1998
  8. **Sekiya JK\***, Wojtys EM, Loder RT, Hensinger RN: Hip arthroscopy using a limited anterior exposure. Poster exhibit, Michigan Orthopaedic Society, annual meeting, Mackinac Island, Michigan, June 1998
  9. Tun S, **Sekiya JK\***, Jebson PJJ, Goldstein SA: A comparative study of mini-external fixators for treatment of metacarpal fractures. Poster exhibit, Michigan Orthopaedic Society, annual meeting, Mackinac Island, Michigan, June 1998
  10. **Sekiya JK\***, Wojtys EM, Loder RT, Hensinger RN: Hip arthroscopy using a limited anterior exposure. Poster exhibit, University of Michigan Medical Center, Department of Surgery's Moses Gunn Annual Research Conference, Ann Arbor, Michigan, April 1999
  11. **Sekiya JK\***, Evensen KE, Jebson PJJ, Kuhn JE: The effect of knee and ankle position on the displacement of achilles tendon ruptures in a cadaveric model: Implications for non-operative management. Poster exhibit, University of Michigan Medical Center, Department of Surgery's Moses Gunn Annual Research Conference, Ann Arbor, Michigan, April 1999
  12. **Sekiya JK\***, Evensen KE, Jebson PJJ, Kuhn JE: The effect of knee and ankle position on the displacement of achilles tendon ruptures in a cadaveric model: Implications for non-operative management. Poster exhibit, American Orthopaedic Foot and Ankle Society, annual meeting, Puerto Rico, July 1999
  13. Jacobson JA\*, **Sekiya JK**, Wojtys EM, Hayes CW: Sonography of the posterolateral structures of the knee: Correlation with cadaveric dissection. Poster exhibit, Radiological Society of North America, annual meeting, Chicago, November 2001
  14. **Sekiya JK**, Francis KA, Giffin JR, Vogrin TM\*, Irrgang JJ, Fu FH, Harner CD: Outcomes following combined meniscal allograft transplantation and anterior cruciate ligament reconstruction. Poster exhibit, 10<sup>th</sup> Congress European Society of Sports Traumatology,

Knee Surgery and Arthroscopy, Rome, Italy, April 2002

15. **Sekiya JK\***, Jacobson JA, Wojtys EM: Sonographic imaging of the posterolateral structures of the knee: Findings in human cadavers. Electronic poster exhibit, Arthroscopy Association of North America, annual meeting, Washington, DC, April 2002
16. Phornphutkul C\*, **Sekiya JK**, Jacobson JA, Wojtys EM: Sonographic imaging of the medial stabilizing structures of the patellofemoral joint: Findings in human cadavers. Electronic poster exhibit, Arthroscopy Association of North America, annual meeting, Washington, DC, April 2002
17. **Sekiya JK\***, Giffin RJ, Irrgang FH, Fu FH, Harner CD: Clinical outcomes following combined meniscal allograft transplantation and ACL reconstruction. Poster exhibit, Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2003
18. Graf KW, **Sekiya JK\***, Wojtys EM: Long-term results following combined medial meniscal allograft transplantation and ACL reconstruction: Minimum eight and one-half year follow-up. Poster exhibit, Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2003
19. **Sekiya JK\***, Ong BC, Francis KA, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following arthroscopic single-bundle PCL reconstruction. Poster exhibit, Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2003
20. **Sekiya JK\***, Groff Y, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following isolated lateral meniscal allograft transplantation. Poster exhibit, Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2003
21. Elliott MJ\*, Sukovich W, **Sekiya JK**, Slakey J: Distortion of pedicle screw size on CT scan: Accuracy in determining pedicle wall violation. Poster Exhibit, Scoliosis Research Society, Annual Meeting, Quebec, Canada, September 2003
22. Elkousy HA, **Sekiya JK\***, Stabile KJ, McMahon PJ: A biomechanical comparison of arthroscopic sliding and sliding-locking knots: An analysis of knot security and strength. Poster exhibit, 45<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Honolulu, Hawaii, December 2003
23. **Sekiya JK\***, Ong BC, Francis KA, Irrgang JJ, Fu FH, Harner CD: Clinical outcomes following arthroscopic single-bundle PCL reconstruction. Poster exhibit, 45<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Honolulu, Hawaii, December 2003
24. Stewart JD\*, Hulse D, Athanasiou KA, **Sekiya JK**: The effects of orally administered glucosamine and chondroitin sulfate on articular cartilage in a canine model. Poster exhibit, 45<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Honolulu, Hawaii, December 2003
25. Kazel MD, **Sekiya JK\***, Greene JA: Percutaneous humeroplasty of posterolateral humeral head defects (Hill-Sachs) associated with anterior shoulder dislocation: A cadaveric study. Poster exhibit, 9<sup>th</sup> International Congress on Surgery of the Shoulder, Washington, DC, May 2004
26. Curran TA\*, Bonner KF, **Sekiya JK**: Does drilling toward the fibula minimize neurovascular risk? An in vitro study of tibial fixation using a bicortical screw and washer. Electronic poster exhibit, Arthroscopy Association of North America, annual meeting, Orlando, April 2004
27. **Sekiya JK**, Peterson SN\*, Call MH, Unger DV: Injuries in naval special warfare sea, air,

- and land (SEAL) personnel: Epidemiology and surgical management of this new “elite” athlete. Poster exhibit, Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2004
28. Curran TA\*, Bonner KF, **Sekiya JK**: Does drilling toward the fibula minimize neurovascular risk? An in vitro study of tibial fixation using a bicortical screw and washer. Poster exhibit, Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2004
  29. Elkousy HA, **Sekiya JK\***, Stabile KJ, McMahon PJ: A biomechanical comparison of arthroscopic sliding and sliding-locking knots: An analysis of knot security and strength. Poster exhibit, Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2004
  30. Kazel MD\*, **Sekiya JK**, Greene JA: Percutaneous humeroplasty of posterolateral humeral head defects (Hill-Sachs) associated with anterior shoulder dislocation: A cadaveric study. Poster exhibit, Naval Medical Center Portsmouth's Clinical Investigation Department's Research Competition, Portsmouth, March 2004
  31. Peterson SN, **Sekiya JK\***, Call MH, Woods D, Unger DV: Injuries in naval special warfare sea, air, and land (SEAL) personnel: Epidemiology and surgical management of this new “elite” athlete. Poster exhibit, 46<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Vail, CO, December 2004
  32. Phornphutkul C, **Sekiya JK\***, Jacobson JA, Wojtys EM: Sonographic imaging of the medial stabilizing structures of the patellofemoral joint: Findings in human cadavers. Poster exhibit, 46<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Vail, CO, December 2004
  33. Swaringen J, Wojtys EM, **Sekiya JK\***, Jacobson JA: A new diagnostic sonography stress test for posterolateral corner knee injuries. Poster exhibit, 46<sup>th</sup> Annual Meeting of the Society of Military Orthopaedic Surgeons, Vail, CO, December 2004
  34. Curran TA, Bonner KF, **Sekiya JK\***: The risk of neurovascular injury during bicortical screw placement for anterior cruciate ligament graft tibial fixation: A comparison of two techniques. Poster exhibit, International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine, Hollywood, Florida, April 2005
  35. Peterson SN\*, **Sekiya JK**, Call MH, Woods D, Unger DV: Injuries in naval special warfare sea, air, and land (SEAL) personnel: Epidemiology and surgical management of this new “elite” athlete. E-Poster exhibit, International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine, Hollywood, Florida, April 2005
  36. **Sekiya JK\***, Willobee JA, Miller MD, Holloway AS: Arthroscopic multi-pleated capsular plication compared with open inferior capsular shift for multi-directional instability. E-Poster exhibit, Arthroscopy Association of North America, Vancouver, Canada, May 2005
  37. Swaringen J\*, Wojtys EM, **Sekiya JK**, Jacobson JA: A new diagnostic sonography stress test for posterolateral corner knee injuries. E-Poster exhibit, Arthroscopy Association of North America, Vancouver, Canada, May 2005
  38. Debski RE\*, Wickwire AC, Stehle JH, McMahon PJ, **Sekiya JK**: Contribution of osteoarticular lesions to abnormal bony contact: A joint compression model. Poster exhibit, Closed Meeting of the American Shoulder and Elbow Surgeons, Palm Beach, Florida, November 2005
  39. Costic RS\*, Allaire RB, Bell KM, Gilbertson LG, **Sekiya JK**: Biomechanical Evaluation of the Hip Joint Utilizing a Robotic/UFS Testing System, Poster exhibit, Orthopaedic Research

Society, Chicago, Illinois, March 2006

40. **Sekiya JK\***, Willobee JA, Miller MD, Holloway AS: Arthroscopic multi-pleated capsular plication compared with open inferior capsular shift for multi-directional instability. Poster exhibit, European Society of Sports Traumatology, Knee Surgery, and Arthroscopy, Innsbruck, Austria, May 2006
41. **Sekiya JK\***, Wickwire A, Stehle J, Debski RE: Biomechanical analysis of Hill-Sachs lesions: Injury and repair using osteoarticular allograft transplantation, Poster exhibit, European Society of Sports Traumatology, Knee Surgery, and Arthroscopy, Innsbruck, Austria, May 2006
42. Kowalchuk DA, Irrgang JJ\*, **Sekiya JK**, Fu FH, Harner CD: A model to predict patient-reported outcome after anterior cruciate ligament reconstruction. E-Poster exhibit, International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine, Florence, Italy, May 2007
43. **Sekiya JK\***, Willobee JA, Hickman AJ, Miller MD, Holloway AS: Arthroscopic multi-pleated capsular plication compared with open inferior capsular shift for multi-directional instability. E-Poster exhibit, International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine, Florence, Italy, May 2007
44. Singanamala N\*, Ranawat AS, Treme G, Caldwell PE, Miller MD, Pearson S, **Sekiya JK**: A biomechanical evaluation of two fixation techniques for proximal biceps tenodesis. American Academy of Orthopaedic Surgeons, San Francisco, March 2008
45. Ranawat AS\*, Miller MD, Treme G, Caldwell P, Singanamala N, Costic RS, Pearson S, **Sekiya JK**: Biomechanical comparison of knotless versus conventional knotted anchors in an arthroscopic cadaveric bankart model. Poster exhibit, Orthopaedic Research Society, San Francisco, March 2008
46. Singanamala N\*, Ranawat AS, Treme G, Caldwell PE, Miller MD, Pearson SE, Costic RS, **Sekiya JK**: A biomechanical evaluation of two fixation techniques for proximal biceps tenodesis. Poster exhibit, Orthopaedic Research Society, San Francisco, March 2008
47. Singanamala N\*, Ranawat AS, Treme G, Caldwell PE, Miller MD, Pearson SE, Costic RS, **Sekiya JK**: A biomechanical evaluation of two fixation techniques for proximal biceps tenodesis. E-Poster exhibit, Arthroscopy Association of North America, Washington, DC, April 2008
54. Fox J\*, Ruberte-Thiele R, Panchal H, Smith M, **Sekiya JK**: Preliminary findings on the effect of labral integrity on concavity compression and hip stability: A pilot study. Poster Presentation, 54th Annual Student Biomedical Fall Research Forum, University of Michigan Medical School, Ann Arbor, November 2008
55. Martin R\*, Safran M, Kelly B, Leunig M, Martin H, Mohtadi N, Philippon M, **Sekiya JK**: The diagnostic accuracy of a clinical examination when compared to surgical findings in hip arthroscopy candidates. Poster exhibit, American Physical Therapy Association: Combined Sections Meeting, Las Vegas, February 2009, To be presented
56. **Sekiya JK\***, Amendola A, Campbell RB: Biomechanical comparison of an arthroscopic inlay technique using an Achilles tendon allograft: Standard versus cylindrical plug. Electronic Poster, International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine, Osaka, Japan, April 2009, To be presented
57. Vanderhave K\*, **Sekiya JK**, Wojtys EM, Moravek J: Meniscus tears in young athletes: Results of arthroscopic repair. Poster exhibit, Pediatric Orthopaedic Society of North America, Boston, April 2009, To be presented

PEER-REVIEWED JOURNALS and PUBLICATIONS (Accepted with revisions/Submitted/To be submitted)

1. Gibbs AE, Salata MJ, **Sekiya JK**: Evidence-based medicine: Does prophylactic knee bracing in football players work? *Am J Sports Med*, Submitted
2. Zehms CT, **Sekiya JK**: Return to active duty following open versus arthroscopic shoulder stabilization in a military population. *Am J Orthop*, Submitted
3. Golish SR, Ranawat AS, Caldwell PE, Miller MD, Singanamala N, Treme G, Pearson SE, Costic RS, **Sekiya JK**: A biomechanical evaluation of knotted versus knotless fixation techniques for arthroscopic Bankart repair. *Arthroscopy*, Submitted
4. **Sekiya JK**, Wickwire AC, Stehle JH, Debski RE: Hill-Sachs defects and repair using osteoarticular allograft transplantation: Biomechanical analysis using a joint compression model. *Am J Sports Med*, Submitted
5. Karadsheh M, Shah A, **Sekiya JK**. Failure of operative management for glenohumeral instability. *J Am Acad Orthop Surg*, Submitted
6. Salata MJ, Gibbs AE, **Sekiya JK**. Meniscus deficiency: A systematic review. *Am J Sports Medicine*, Submitted
7. Martin HD, Kelly B, Leunig M, Philippon M, Clohisy J, Martin R, **Sekiya JK**, Pietrobon R, Mohtadi N, Sampson TG, Safran M: Common patterns and technique in the clinical

- evaluation of the adult hip. *Arthroscopy*, Submitted
8. Swaringen J, **Sekiya JK**, Wojtys EM, Jacobson JA. Diagnostic ultrasound evaluation of posterolateral corner knee injuries. *Arthroscopy*, Submitted
  9. Caprise P, Hickman A, Petilon J, **Sekiya JK**. Arthroscopic treatment of anterior and posterior shoulder instability: Indications, techniques, and outcomes. To be submitted
  10. Elliott MJ, Caprise PA, Radich AE, Kurtz CA, Enad JG, **Sekiya JK**. A scoring system to assess knee arthroscopy skills. *Arthroscopy*, To be submitted
  11. Tjoumakaris FP, **Sekiya JK**. Partial tears of the ACL: Diagnosis and management. *J Am Acad Orthop Surg*, To be submitted
  12. Stewart JD, Hulse D, **Sekiya JK**, Athanasiou KA. The effects of orally administered glucosamine and chondroitin sulfate on articular cartilage in a canine osteoarthritis model. *J Bone Joint Surg Am*, To be submitted
  13. Wickwire A, Stehle J, **Sekiya JK**, McMahan PJ, Debski R: Position of the humeral head shifts in the glenoid due to the presence of osteoarticular lesions. To be submitted
  14. Stehle J, Wickwire A, **Sekiya JK**, McMahan PJ, Debski R: Overall effect of soft tissues on glenohumeral kinematics with arm abducted. To be submitted
  15. Costic RS, Allaire RB, Bell KM, Gilbertson LG, **Sekiya JK**: Biomechanical Evaluation of the Hip Joint Utilizing a Robotic/UFS Testing System. To be submitted
  16. Martin H, Martin RL, Kelly BT, Martin H, Philippon M, Leunig M, McCarthy J, Guanche C, Byrd T, **Sekiya JK**, Clohisy J, Mohtadi N, Safran M: Physical examination of the hip joint. To be submitted
  17. Ruberte R, Amendola A, Campbell RB, **Sekiya JK**. Biomechanical comparison of an arthroscopic inlay technique using an Achilles tendon allograft: Standard versus single cylindrical plug. To be submitted
  18. Salata MJ, **Sekiya JK**. Arthroscopic PCL tibial inlay: Surgical technique and spotlight on rehabilitation. *Sports Health*, To be submitted
  19. Salata MJ, Gibbs AE, **Sekiya JK**. Meniscus deficiency: A systematic review. *Am J Sports Medicine*, To be submitted
  20. Bowman K, Fox J, **Sekiya JK**. Hip biomechanics/instability review. To be submitted
  21. Provencher MT, Handfield K, **Sekiya JK**, Boniquit N, Reiff S, Romeo AA. Injuries to pectoralis major: Diagnosis and management. To be submitted
  22. Martin RL, Kelly BT, Leunig M, Martin HD, Mohtadi NG, Philippon MJ, Sekiya JK, Safran MR. The ability of experienced surgeons to diagnose hip labral tears, femoroacetabular impingement, and capsular laxity. To be submitted
